Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Practitioners and Educators accessing the website, **Pediatric Neonatology 2022** is the most lucrative platform for Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Pediatric Neonatology-2022 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

31st International Conference on Pediatrics and Neonatology proudly hosting for the Multinational Organizations, Entrepreneurs across the World and also extends a warm welcome to all the professional researchers and academicians as well as business professionals to take at Congress. Prominently Occupational Health Consultants, Occupational Health Doctors, Occupational Medicine Professionals, Regulatory Professionals, Pharmacologist Professionals, Laboratory Directors and Chemists, Physiotherapists, Psychologists and others who stay plunged in learning and practice of the Occupational Health and Public Safety.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Pediatrics
- Neonatology & Perinatology
- Clinical Pediatrics
- Pediatric Health Care
- Pediatric & Neonatal Nutrition

- Pediatric Emergency Medicine
- Pediatric Oncology
- Pediatric Neurology
- Pediatric & Neonatal Surgery
- Pediatric Critical Care Medicine
- Pediatric & Neonatal Infection
- Pediatric & Neonatal Cardiology
- Pediatric Breast Feeding
- Pediatric Allergy & Immunology
- Pediatric Osteology
- Pediatric Radiology
- Pediatric Nephrology
- Pediatric HIV
- Childhood Obesity

About Destination Vancouver, Canada

Vancouver acts as a gateway to Canada's great outdoors, be it along the Pacific Coast or up in the Pacific Ranges. Within an hour's drive out from Vancouver's high-rise downtown hub, you hit gorgeous beaches and forested mountains. Vancouver may have all the usual big-city trappings—renowned museums, an active theatre and music scene, and famed dining—but its location ringed by mountains and right by the water, surround it with nature on a grand scale. Visit the city's forests, parks, and impressive suspension bridge to connect with that outdoor spirit. Then explore the city's past in Gastown's Victorian buildings, cobblestone lanes, and English pubs. Or wander Chinatown—the country's largest—on a never-ending food crawl.
