Peptide Congress 2018

INTERNATIONAL CONFERENCE ON

ANNUAL PEPTIDE CONGRESS

December 03-04, 2018 | Osaka, Japan

https://www.meetingsint.com/conferences/peptide

Invitation

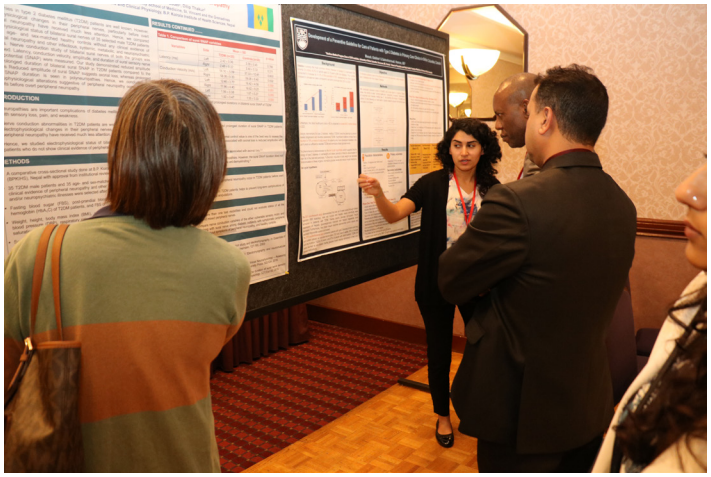

Meetings International invites all the participants from all over the world to attend "**Annual Peptide Congress**" with the theme "**Accelerating Current Innovations in Peptide Research** ", which will be held during **December 03-04, 2018** at **Osaka, Japan**.

Meetings International Contributes opportunities to scientists and Peptide professionals to enhance their skills and improve quality of research. We welcome you to go along with at the Peptide 2018, where you will make certain to have an important involvement with both your colleagues and exports from around the globe. It helps you to implement practical, proven strategies to run your research more effectively, efficiently and profitably.

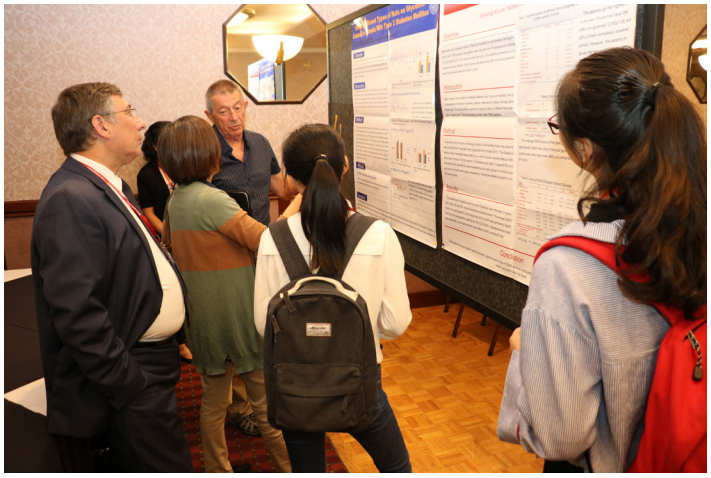

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

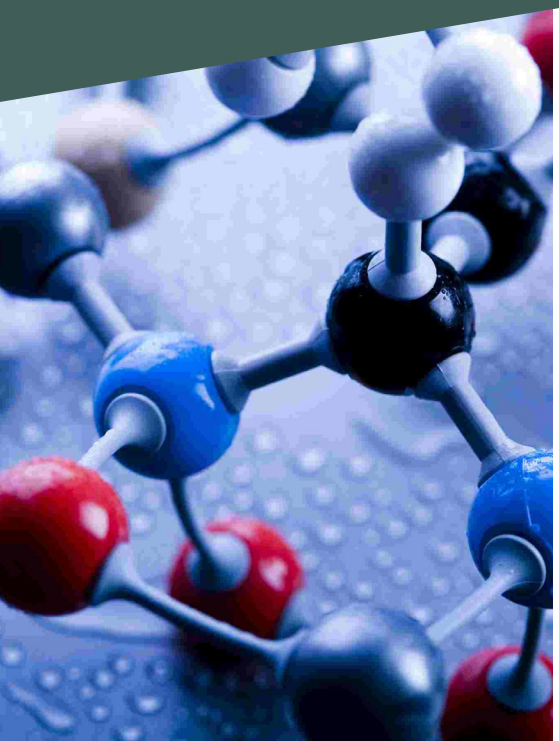

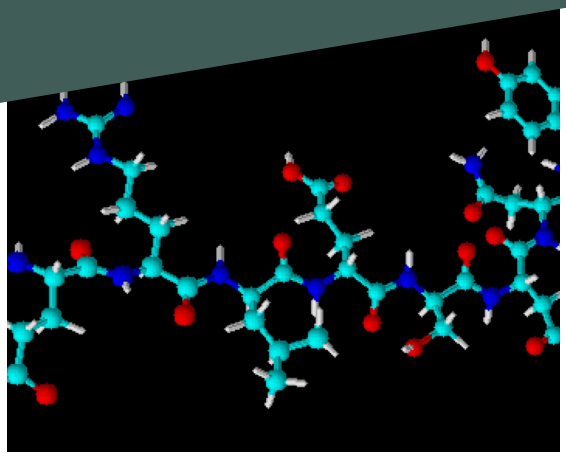

Conference Highlights

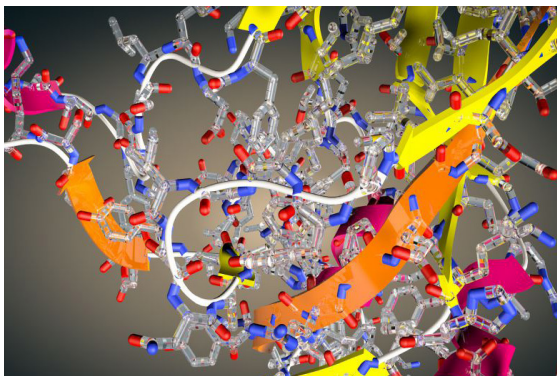

- Peptide Materials and Nanomedicine
- Peptides and Enzymes
- Natural Product Biosynthesis
- Post-Translational Modifications
- Peptide Arrays and Proteomics
- Peptide Libraries
- Peptide Assembly
- Membrane-Active Peptides
- Synthetic and Non-Natural Peptide Backbones
- Peptidomimetics
- Peptide Therapeutics, Vaccines, and Diagnostics
- Peptide Structure and Function
- Glycopeptides
- Computational Design
- Synthetic Methods
- Current Research on Peptide Science

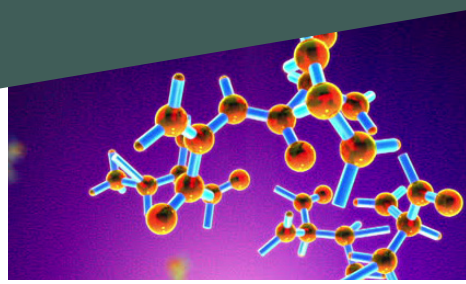

Meetings Int. offers

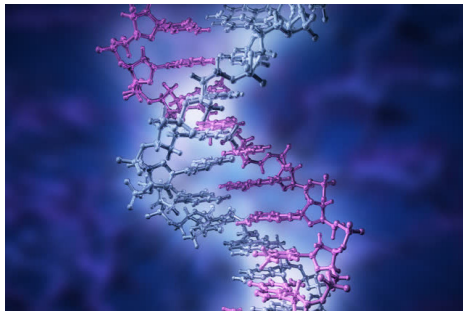

An unique platform for top level research and innovation

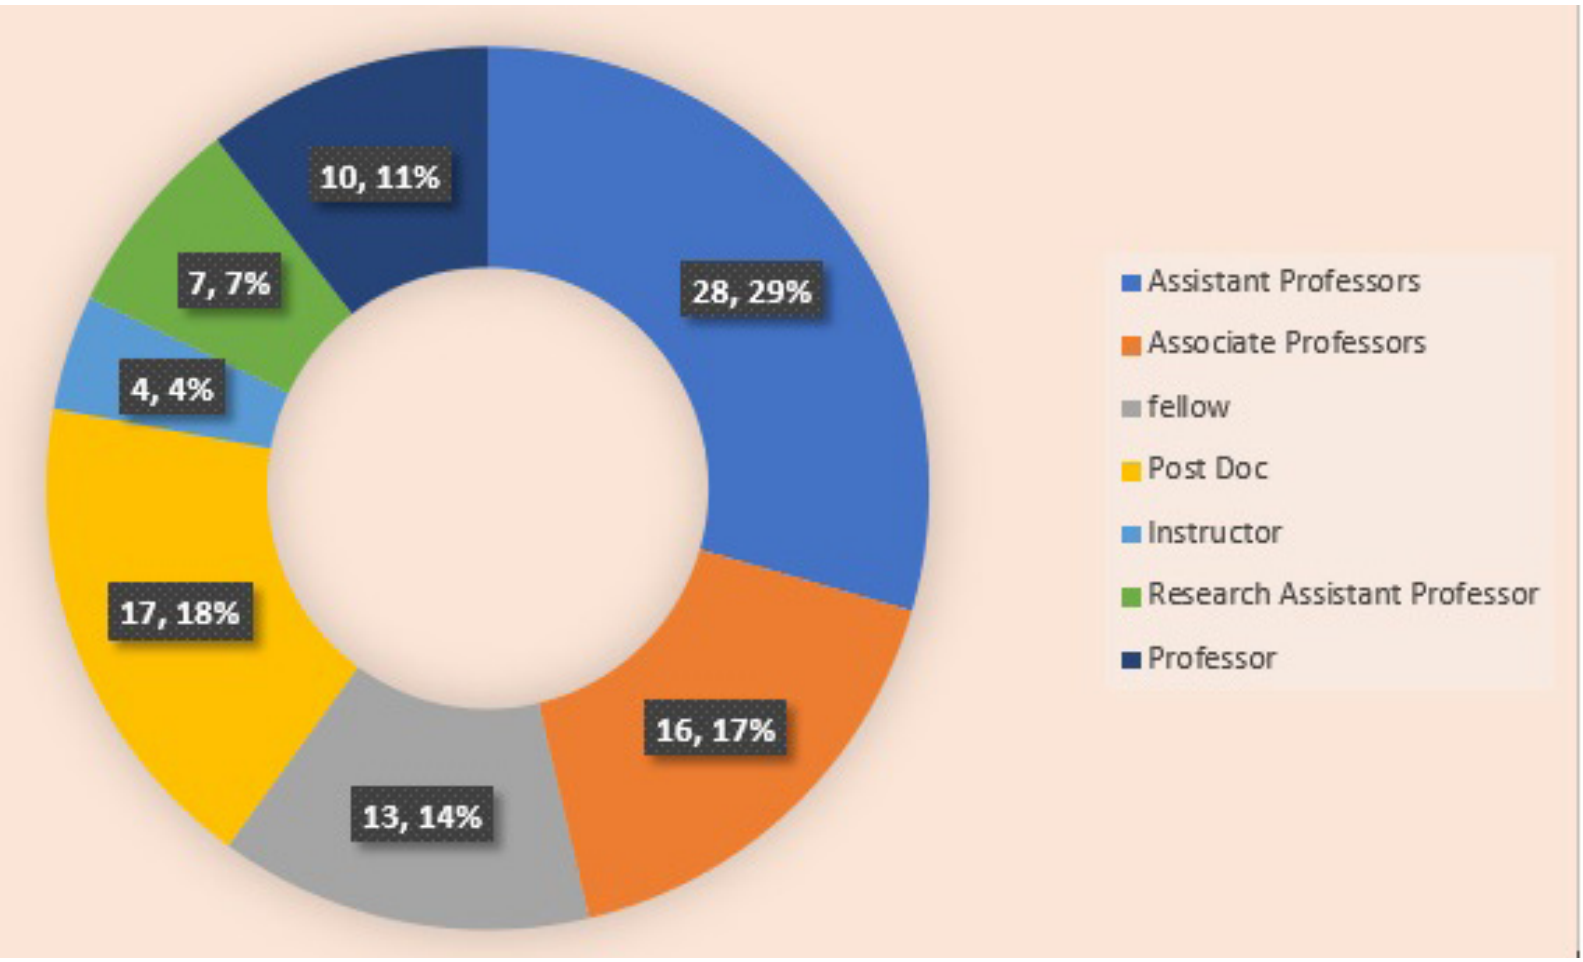

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore **Osaka**

Osaka is a cosmopolitan city close to the antiquated capital, Kyoto, best known for its dynamic sustenance and drinking society, and broadly friendly individuals. Osaka is Japan's second city, and at first glance won't not appear like an out of the way goal. Being the capital of Osaka prefecture and the third-biggest city in Japan, with a populace of 2.7 million, it is situated in the Kansai area of the principle island of Honshu, at the mouth of the Yodo River on Osaka Bay. Osaka is known as the Manchester of Japan.
