- Formulation of Biotech merchandise
- Biotechnological product

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Canada Attractions

Explore Vancouver , Canada

Canada is a North American country stretching from the U.S. in the south to the Arctic Circle in the north. Major cities include massive Toronto, west coast film centre Vancouver, French-speaking Montréal and Québec City, and capital city Ottawa. Canada's vast swaths of wilderness include lake-filled Banff National Park in the Rocky Mountains. It's also home to Niagara Falls, a famous group of massive waterfalls.

Toronto city, capital of the province of Ontario, south eastern Canada. It is the most populous city in Canada, The city is positioned on the edge of some of the best farmland in Canada, with a climate favorable to growing a wide range of crops, thereby making Toronto a transportation, distribution, and manufacturing centre.
