VISIT US

Dear Attendees,

We are delighted to invite you all to our upcoming **14th International Conference on Pharmaceutical Chemistry** is going to be held in **Amsterdam, Netherlands**. during **April 11-12, 2024**. This Conference highlights the theme “exploring innovative frontiers in pharmaceutical chemistry: from molecules to medicines”. The key strategic objective of **Pharma Chemistry 2024** is to communicate Pharmaceutical and Chemical research between academia, and industry. Through inspiring sessions and tons of networking, you will learn to be even more audacious and bold than you are now and free to grow your mind, grow your business, and grow your bottom line. We can relieve you of the time and resource draining elements of the events that you plan to hold. Pharma Chemistry 2024 is intended to deliver a miscellaneous and current education which will keep medical professionals up to date the latest methodologies, strategies and the present update in the field of Pharma Chemistry

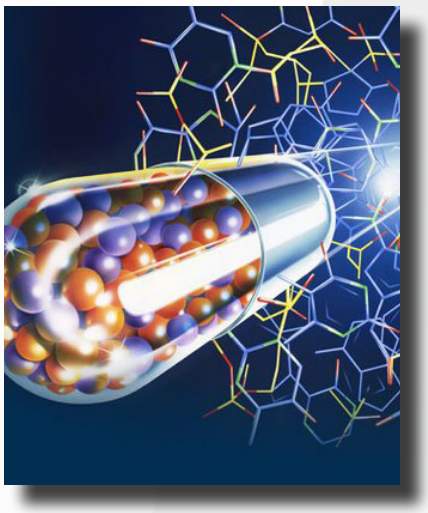

Sincerely,
Operating Committee
Pharma Chemistry 2024

Scientific Sessions:

- Pharmaceutical Sciences
- Pharma Analytical Techniques and Instrumentation
- Pharmaceutical Regulatory Affairs
- Pharmacovigilance and drug safety
- Pharmaceutical Industry
- Drug Discovery
- Medical Pharmacology
- Pharmacoeconomics
- Pharmacy Practice
- Pharmaceutical Packaging

To identify the future directions of research

Peer review and high quality publication
