ABOUT HONG KONG

Hong Kong is the special administrative region of the People's Republic of China with over 7.4 million people of various nationalities glorifying its diverse culture, tradition and cuisine. Formerly a British Colony, it's the world's seventh-largest trading entity with highest per capita income. It has the largest number of skyscrapers in the world, must surrounding Victoria Harbor. 90% of its population uses public transportation to avoid pollution. Hong Kong is a capitalist mixed service economy with low taxation, minimal government, market intervention and an established international financial market. Hong Kong is famous for its culture, cuisine, cinema, music, sport and recreational activities.
