12TH INTERNATIONAL CONFERENCE ON PHARMACEUTICAL CHEMISTRY

Pharmaceutical Chemistry 2019

May 20-21, 2019 | Berlin, Germany

INVITATION

Meetings International proudly announces the **12th International Conference on Pharmaceutical Chemistry** scheduled during **May 20-21, 2019 at Berlin, Germany.** The conference emphasizes the theme "**Exploring the Challenges in Pharmaceutical Chemistry & Process of Drug Discovery for the Future**".

Meetings International provides an international dais for scientists and Pharmaceutical Chemistry professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. Pharmaceutical Chemistry and Analytical Chemistry together make eminent growth in the pharmacy or medical industry. A knowledge of the concepts of drug metabolism is useful in both the design of new drugs and the improvement of existing drugs. Thus it effects the living life in a affective way.

Sincerely,
Operating Committee
Pharmaceutical Chemistry 2019

Important Dates

Early Bird: **November 15, 2019**

Registration Open: **April 30, 2019**

Abstract Submission Open: **April 15, 2019**

On Spot Registration: **May 20, 2019**

Berlin, Germany

Pharmaceutical Chemistry 2019

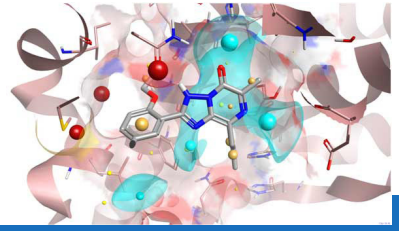

CONFERENCE HIGHLIGHTS

- Advanced Organic Chemistry and Inorganic Chemistry
- Biopharmaceutical and Biologic Drugs
- Clinical and Hospital Pharmacy
- Computational Chemistry and Chemical Biology
- Drug Delivery Techniques
- Drug Discovery and Development
- Green Chemistry in Pharma Industry
- Heterocyclic Chemistry
- Nanomedicine and Nanotechnology
- Neuropharmacology & Psychopharmacology
- Pharmaceutical Biotechnology and Tissue Engineering
- Pharmaceutical Chemistry Novel Aspects
- Prospectives of Medicinal Chemistry
- Protein and Cellular Engineering and Statistical Mechanics

Meetings Int. offers

An unique platform for top level research and innovation

Berlin, Germany

Pharmaceutical Chemistry 2019

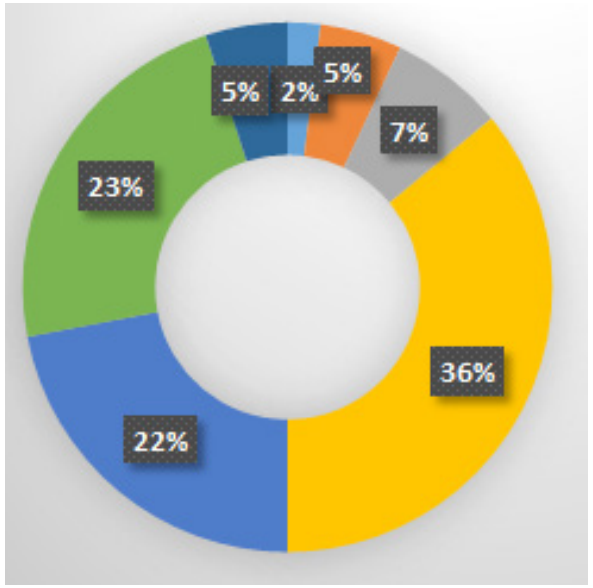

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication

- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scolars
- Business Enterprenures

ABOUT BERLIN

Pharmaceutical Chemistry 2019

Berlin is the capital and the largest city of Germany. Berlin located in northeastern Germany on the banks of the rivers Spree and Havel. Berlin's economy is mainly based on the service sector due to being one of the most popular touristic destinations in Europe. Other industries include IT, pharmaceuticals, renewable energy, biomedical engineering, and biotechnology. Berlin climate can be best described as a humid continental climate. Berlin is a world city of culture, politics, media and science. More than six million tourists visit Berlin every year, making it one of the most popular city in Europe. Many tourists come to see historical monuments, including Haus am Checkpoint Charlie, the Berlin Wall memorial, the Fernsehturm (TV tower) which gives a spectacular view of the city, the Reichtags building, and Brandenburg Gate. A number of companies offer walking tours of the city, as well as boating excursions on the river Spree. The best time to visit Berlin is May through September when the weather is ideal for cafe sitting, park lazing and leisurely city strolling.
