

EuroSciCon

Pharmaceutics-2023

3rd International Conference on

Pharmaceutical Formulations and API

April 03-04, 2023 | Barcelona, Spain

Theme: Challenges in pharmaceutical Technology and Advanced Research in Drug Formulation

Invitation

We are glad to announce the **3rd International Conference on Pharmaceutical Formulations** and API to be held in **Barcelona, Spain** from **April 03-04, 2023** organized by EuroSciCon ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Pharmaceutical Sciences and Research, Drug Discovery and Development, Pharmaceutical Formulation, Pharmaceutical Pre-Formulation and Formulation Development, Novel Drug Delivery System, Pharmaceutical Nanotechnology, Formulation Design and Pharmaceutical Technology, Industrial Pharmacy, Pharmacokinetics and Pharmacodynamics in Drugs, Pharmaceutical Analysis, Pharmaceutical Chemistry, Pharmaceutical Engineering, Pharmacology & Toxicology, Process Validation, Toxicology Approaches in Drug Discovery, Pharmaceutical Biotechnology, Pharmacogenomics, Biopharmaceutics and Pharmacokinetic, Vaccines: Research, Development, Production, Pharmaceutical Manufacturing, Pharmaceutical Packaging, Pharmaceutical Marketing, Biomaterials, Nanomaterials, Biologics & Biosimilars, Drug Safety and Pharmacovigilance

Life is about learning every day. Make it count in your professional life. Attend Pharmaceutics-2023 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Barcelona, Spain - April 03, 2023**

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Practitioners and Educators accessing the website, Pharmaceutics-2023 is the most lucrative platform for Pharmaceutics Industrialists, Pharmaceutics Industrialists, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Pharmaceutics-2023 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

3rd International Conference on Pharmaceutical Formulations and API Scientists and researchers related to the broad areas of Pharmaceutical Sciences, Pharmaceutical Researchers, Formulation Scientists, are most likely to attend Pharmaceutics 2023 and utilize the scope of extending their skills, and their work on basic and significant applications. The Pharmaceutics 2023 conference will be useful to participants from both Industrial as well as Academic fields in all the domains of Health care sectors. All other target audience includes:

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Pharmaceutical Sciences and Research
- Drug Discovery and Development
- Pharmaceutical Formulation
- Pharmaceutical Pre-Formulation and Formulation Development
- Novel Drug Delivery System
- Pharmaceutical Nanotechnology
- Formulation Design and Pharmaceutical Technology
- Industrial Pharmacy
- Pharmacokinetics and Pharmacodynamics in Drugs
- Pharmaceutical Analysis
- Pharmaceutical Chemistry
- Pharmaceutical Engineering
- Pharmacology & Toxicology
- Process Validation
- Toxicology Approaches in Drug Discovery
- Pharmaceutical Biotechnology
- Pharmacogenomics
- Biopharmaceutics and Pharmacokinetic
- Vaccines: Research, Development, Production
- Pharmaceutical Manufacturing
- Pharmaceutical Packaging
- Pharmaceutical Marketing
- Biomaterials
- Nanomaterials
- Biologics & Biosimilars
- Drug Safety and Pharmacovigilance

About Destination Barcelona, Spain

Barcelona is a city on the coast of northeastern Spain. It is the capital and largest city of the autonomous community of Catalonia, as well as the second most populous municipality of Spain. The city is home to two of the most prestigious universities in Spain: the University of Barcelona and Pompeu Fabra University. The city is known for hosting the 1992 Summer Olympics as well as world-class conferences and expositions and also many international sport tournaments. Barcelona is a major cultural, economic, and financial centre in southwestern Europe, as well as the main biotech hub in Spain. As a leading world city, Barcelona's influence in global socio-economic affairs qualifies it for global city status (Beta +).

Barcelona is a transport hub, with the Port of Barcelona being one of Europe's principal seaports and busiest European passenger port, an international airport, Barcelona–El Prat Airport, which handles over 50 million passengers per year, an extensive motorway network, and a high-speed rail line with a link to France and the rest of Europe.
