Dear Colleagues,

Meetings International proudly announces the Global Experts Meeting on International Conference on Pharmacology scheduled on June 18-19, 2018, Tokyo, Japan. With a theme of "Research Advances in Pharmacological Field".

Meetings International provides a Global Platform for Pharmacology Professionals, Scientists, Researchers, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Pharmacology Meeting focuses on the importance to understand drugs and how they can affect human physiology. It is with better understanding of Pharmacology one can know the right dosage and dosage forms of drugs. More research in pharmacology deals with identifying and responding to drug interactions and its side effects along with its mechanism of action, its therapeutic index and thereby treat accordingly. More intensive study with the interaction between drug and its therapeutic effect helps to identify the properties of ideal drugs.

Conference Highlights :

- Advances in Pharmacological Research
- Pharmacological Testing
- Clinical Pharmacology and Receptor Theory
- Food and Chemical Toxicology
- Drug Discovery and its Evalution
- Environmental Pharmacology
- Toxicology
- Pharmacogenetics and Pharmacogenomics
- Applied Pharmacology
- Cardiovascular Pharmacology
- Pharmacokinetics and Pharmacodynamics

About Tokyo

Venue:

Tokyo, Japan

Tokyo is Japan's capital and the world's most populous metropolis. It is also one of Japan's 47 prefectures, consisting of 23 central city wards and multiple cities, towns and villages west of the city center. The Izu and Ogasawara Islands are also part of Tokyo. It has neon, skyscrapers, salaryman crowds, packed trains, cutting-edge architecture and futuristic technology. But it also has ancient shrines, plant-covered wooden houses, cycling grannies, old-school sweet shops and village-like lanes.

Tokyo is a nirvana for foodies, and has the world's highest volume of Michelin stars in a city. Shopping is another highlight – it's worth bringing an empty suitcase to fill with hard-to-resist gadgets, trendsetting garments and treasures from craft and design stores. And now there's another reason to visit: the 2020 summer Olympics will take place in Tokyo. As a result, not only is the mood refreshingly upbeat, but a raft of new developments, hotels and infrastructure upgrades are in the pipeline.
