Dear Attendees,

The Webinar on Pharmacology-2024 presents an opportunity to share and discuss the latest research in pharmacology, scheduled for December 4, 2024, as an online event. The primary aim of Pharmacology-2024 is to provide a dynamic platform to exchange innovative ideas and advancements in the field of immunopharmacology under the theme, “Immunopharmacology: Targeting the Immune System in Disease.” This webinar will bring together scientists, young researchers, and industry professionals from around the world to exchange insights, share experiences, and explore developments in technology, practical challenges, advanced instrumentation, and analysis techniques. Pharmacology-2024 will feature keynote presentations, oral talks, poster sessions, workshops, panel discussions, exhibitions, Young Researcher Forums (YRF), Best Poster Awards, industry-academic interactive sessions, and industry presentations, creating a comprehensive and engaging experience.

Sincerely,
Operating Committee
Pharmacology 2024

Scientific Sessions:

- Endocrine Pharmacology
- Neuropharmacology
- Cancer Pharmacology
- Cardiovascular Pharmacology
- Nutraceutical Pharmacology
- Immunopharmacology
- Clinical Pharmacology
- Pharmacodynamics
- Pharmacological Testing
- Pharmaceutical Chemistry
- Autonomic Pharmacology
- Nursing Pharmacology

To identify the future directions of research

Peer review and high quality publication

Young Research Forum:

Meetings International is delighted to announce the Young Scientist Awards as part of the Webinar on Pharmacology 2024, scheduled for December 4, 2024. The theme of this webinar is “Immunopharmacology: Targeting the Immune System in Disease.” Pharmacology 2024 will highlight cutting-edge advancements in immunopharmacology and recognize participants who have made significant contributions to the scientific community, particularly in medical and pharmacological research. The prestigious Young Scientist Awards will be presented to outstanding researchers, offering them a unique opportunity for professional development by engaging with experts and exchanging knowledge at our international webinars.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives Acknowledgement as YRF Awardee Promotion on the conference website, Young Scientist Awards and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

DAY 01/ December 04, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions
