International conference on Photonics & Optoelectronics

Photonics 2019

July 15-16, 2019 | Zurich, Switzerland

INVITATION

Photonics 2019

Meetings International proudly announces the **International conference on Photonics & Optoelectronics** scheduled during **July 15-16, 2019 at Zurich, Switzerland.** The conference emphasizes the theme "**Thriving to Change the Research Cycle in Optics, Photonics and Lasers**".

Meetings International provides an international dais for scientists and photonics science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of photonics has come into spotlight in the recent years. The main objective of Photonics 2019 is to study and endeavour to the physical science of light (photon) generation, detection, and manipulation through emission, transmission, modulation, signal processing, switching, amplification, and sensing.

Sincerely,
Operating Committee
Photonics 2019

Important Dates

Early Bird: **April 30, 2019**

Registration Open: **December 05, 2018**

Abstract Submission Open: **January 01, 2019**

On Spot Registration: **July 15, 2019**

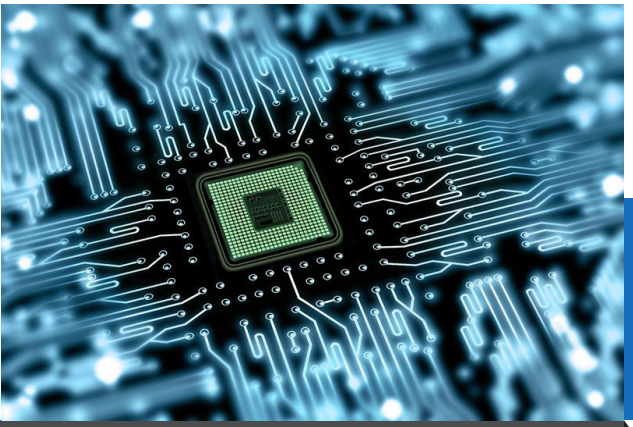

Zurich
Switzerland

CONFERENCE HIGHLIGHTS

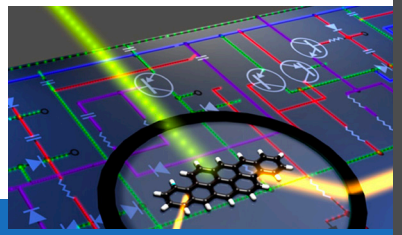

- Advancements in Photonics
- Nano photonics and Bio photonics
- Organic photonics
- Photonic Integrated Circuits
- Microwave Photonics
- Optoelectronics
- Optical physics
- Applications and Trends in Photonics
- Optical Communications and Networking
- Laser Systems
- Optics and Lasers in Medicine
- Technologies in Lasers, Optics and Photonics
- Bio-inspired photonics

Photonics 2019

Meetings Int. offers

An unique platform for top level research and innovation

Zurich
Switzerland

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication

- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scholars
- Business Enterprenures

ABOUT ZURICH

The city of Zurich, lies at the north end of Lake Zurich in northern Switzerland. The beautiful paths of the focal Altstadt (Old Town), on either side of the Limmat River, mirror its pre-medieval history. Waterfront promenades like the Limmatquai take after the waterway toward the seventeenth century Rathaus (town lobby). Numerous historical centres and workmanship displays can be found in the city, including the Swiss National Museum and the Kunsthaus. Schauspielhaus Zurich is a standout amongst the most essential performance centres in the German-talking world.
