London, UK

6th World Congress on

Physiotherapy and Physical Rehabilitation

August 24-25, 2021 | London, UK

Theme: Excellence In Physiotherapy and Rehabilitation

EuroSciCon

Physiotherapy

2021

Invitation

Euroscicon invites all the participants i.e., Researchers, Professors, scientific communities, delegates, students, business professionals and executives from all over the world to attend "6th World Congress on Physiotherapy & Physical rehabilitation" during August 24-25, 2021 at UK. which includes prompt Keynote presentations, Oral talks (Speaker forum and Young research forum), Poster presentations, Workshops and Exhibitions. Physiotherapy Conference 2021 is a global overview the Theme: "Excellence In physical therapy" which brings together professionals particularly interested in the Physiotherapy research work and discussions about new scientific discoveries have brought about some significant advances in the understanding of why differing approaches to the management of chronic pain are needed. There is growing evidence for the application of ultrasonography, radio frequency ablation and neuromodulation in chronic Physiotherapy for both diagnostic and treatment applications. Techniques such as epigenetics and the use of risk stratification tools will enable personalised medicine. The quality of clinical research and lessons learned from opioid addiction have enabled the clinician to better advise their patients on the best treatments for them. This meeting showcases some of these advances placing them firmly in clinical practice.

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 26000+ Ophthalmologists accessing the website, Ophthalmologists 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Physiotherapy 2021 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

6th world congress on Phsiotherapy and Physical rehabilitation aims at bringing together all the Physiotherapists and Fitness professionals, students to provide an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices in our International Meetings. Physiotherapy 2021 is a multi-disciplinary conference of physiotherapists, physicians, sports and fitness medicine professionals dedicated to work, education, research, advocacy and the care of athletes of all ages.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Advancements in Physiotherapy
- Physiotherapy Techniques and Exercises
- Physiotherapy in Treatment & Care
- Neurological Rehabilitation
- Neurological Physiotherapy and treatments
- Rehabilitation methods
- Sports Science & Exercise Physiology
- Pediatric Rehabilitation Medicine
- Physiotherapy for Children
- Pain medicine
- Physiotherapy methods & Instrumentation
- Geriatric Physical Therapy
- Manual Physiotherapy Strategies
- Experimental techniques in Physiotherapies
- Acupuncture & Techniques

About Destination London

London comprises four World Heritage Sites: the Tower of London; Kew Gardens; the site covering the Palace of Westminster, Westminster Abbey, and St Margaret's Church; and the historic settlement of Greenwich. Further landmarks include Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square and The Shard. London is home to numerous museums, galleries, libraries, sporting events and other cultural institutions, including the British Museum, National Gallery, Natural History Museum, Tate Modern, British Library and West End theatres. The London Underground is the hoariest underground railway network in the world.

Cultural Diversity: London is the centre of the world – and a world in one city, with a wealth of different cultures and communities across the capital. It has more than 300 languages and cuisine from over 70 countries. While English is the official language, several European languages are very widely spoken in and around London. Given the size of the large multicultural population, many other languages are also used in everyday life.

Transportation: London's fantastic transport system, with its Tube, red buses and black taxis, will enable you to get around the city quickly and easily.

History: London's history stretches back over thousands of years, and the city boasts four World Heritage Sites: the Palace of Westminster and Westminster Abbey, the Tower of London, Maritime Greenwich and the Royal Botanic Gardens, Kew.
