Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Best Tourist Destinations in London, UK

About London, UK

London is the capital and most populous city of England and the United Kingdom. It is on the River Thames in the south east of the island of Great Britain, London has been a major settlement for two millennia. It was founded by the Romans, who named it Londinium. London's ancient core, the City of London, largely retains its 1.12-square-mile (2.9 km2) medieval boundaries.

London is the leading global city in arts, commerce, finance, fashion, education technology, healthcare, media, transport, tourism, research, and development. London is the global centre for Higher Education and research. According to QS World University Ranking, it has the highest number of international students. It is world's second most Economical powerful city and has the fifth- or sixth-largest metropolitan area GDP in the world. London is the world's leading investment destination, which hosts the number of international retailers and ultra-high-net-worth individuals. It has world's largest city Airport System measured by passenger traffic. It is the world's most visited city measured by international arrivals. London's wetland areas support nationally important populations of many water birds. London is the home for many wildlife reserves, two National Nature Reserves and 76 Local Nature Reserves, and 38 Sites of Special Scientific Interest (SSSIs). In 2012, London turned into the main city to have facilitated the present day Summer Olympic Games three times. London is the largest city in western Europe , and the world's biggest financial centre.

London is also one of the leading global cities in arts, commerce, healthcare, finance, research, fashion, education technology, media, transport, tourism, and development. London is the international centre for Higher Education and research.
