2ND EUROPEAN PLANT SCIENCE CONFERENCE

Plant Science 2019

October 22-23, 2019 | Rome, Italy

INVITATION

Plant Science 2019

Meetings International proudly announces the **2nd European Plant Science Conference** scheduled during **October 22-23, 2019** at **Rome, Italy.** The conference emphasizes the theme "**Transforming Future of Plant Science**".

Meetings International provides an international dais for scientists and animal health science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of animal health has come into spotlight in the recent years. The main objective of animal health science is to study and endeavour to cure diseases in companion animals (horses, dogs and cats etc..), and to advance the teaching and practice of veterinary art and science.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

ABOUT ROME

ROME is the capital city of Italy. Rome also serves as the capital of the Lazio region, it is also the country's most populated comune. It is the fourth-most populous city in the European Union by population within city limits. It is the centre of the Metropolitan City of Rome. Rome is located in the central-western portion of the Italian Peninsula. The Vatican City is an independent country inside the city boundaries of Rome. It is also called as the eternal city because of its great beauty, contrast and life style.
