

4th International Conference on

Plant Science

March 28-29, 2024 | Dubai, UAE

THEME: PLANT ECOLOGY AND EVOLUTIONARY BIOLOGY

VISIT US

https://www.meetingsint.com/conferences/plantscience

Dear Attendees,

The **4th International Conference on Plant Science** heartily welcomes the worldwide audience to participate in the conference that goes to be controlled on March 28-29, 2024 in Dubai, UAE. Plant Science 2024 will focus on many aspects such as breeding, molecular marker development, crop improvement, disease resistance, epigenetics, evolution studies, and plant science as well as understanding tools to overcome barriers and enable successful data analysis and management. **Plant Science 2024** aims to assemble leading educational scientists, analyzers, and analysis students to exchange and share their experiences and research results on all aspects of Plant Science and its development. There's an intensive international perspective at this conference with speakers, poster presenters, sponsors, and exhibitors from Europe, the US, and Asia/Pacific.

Sincerely,
Operating Committee
Plant Science 2024

Meetings International
WITH US

Plant Science 2024

Scientific Sessions:

- Plant Biotechnology
- Plant Nutrition and Soil Sciences
- Plant Anatomy and Morphology
- Plant Physiology and Biochemistry
- Agronomy and Agricultural Research
- Plant Molecular Biology
- Plant Genetics and Genomics
- Plant Metabolic Engineering
- Plant Hormones
- Plant Sciences and Research

To identify the future directions of research

Peer review and high quality publication

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the 4th international conference on Plant Science (Plant Science 2024) which is scheduled in Dubai, UAE during March 28-29, 2024. This Microfluidics conference focuses on Plant Ecology And Evolutionary Biology

Plant Science 2024 will recognize participants who have significantly added value to the scientific community of Biologists and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences..

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

Acknowledgment as YRF Awardee Promotion on the conference website, Young Researcher Awards, and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

DAY 01/ March 28, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

DAY 02/ March 29, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

VENUE:

Dubai, UAE

Dubai Gulf Arabic pronunciation: is the most populated city in the United Arab Emirates (UAE) and the capital of the Emirate of Dubai, the most populated of the 7 monarchies which together form the United Arab Emirates. Established in the 18th century as a small fishing village, the city grew rapidly in the early 21st century with a focus on tourism and luxury, having the second most five-star hotels in the world, and the tallest building in the world, the Burj Khalifa, which is over a half a mile tall.

In the eastern Arabian Peninsula on the coast of the Persian Gulf, it is also a major global transport hub for passengers and cargo. Oil revenue helped accelerate the development of the city, which was already a major mercantile hub. A centre for regional and international trade since the early 20th century, Dubai's economy relies on revenues from trade, tourism, aviation, real estate, and financial services. Oil production contributed less than 1 per cent of the emirate's GDP in 2018.The city has a population of around 3.4 million (as of 2021).

The Venue of the conference is Ghaya Grand Hotel, Dubai , UAE..
