Welcome Message

Meetings International proudly announces the Global expert meeting on plant science and molecular biology scheduled during April 25-26, 2018 in Dubai, UAE. The conference emphasizes the theme "Explore the Scope of Plant Molecular Biology".

Meetings International provides an international dais for scientists and plant science professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

The importance of plants has come into spotlight in the recent years. Many of the floral species have become extinct due to the human activities. Thus, priorities are given for the plant research to produce more production to support the ever-growing population of the world.

According to Global Environment Outlook 4, species extinction is occurring at 100 times the natural rate, and is expected to accelerate to between 1,000 and 10,000 times the natural rate in the coming decades. This extinction will cause the change in the biodiversity which will indirectly affect us.

Plant Science conference 2018 will bring together key decision makers and innovators within this rapidly growing field. This intensive 2-Day program will focus on various fields and technologies in the Plant science.

Meetings International - Plant Science conference 2018 will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other novel development strategies. We hope you will join us in Dubai, UAE coming April.

Sincerely,

Operating Committee

CEO and Founder

Meetings International PTE LTD.

Who Should Attend?

- Academic Researcher
- Plant Biology Researcher
- Horticulturist
- Plant Biotechnology Companies
- Laboratory Technicians
- Pharmaceutical Companies

Why Attend?

- 300 + Participation (70 Industries: 30Academia)
- 10+ Keynote Speakers
- 50+ Plenary Speakers
- 20+ Exhibitors
- 14 Innovative Educational Sessions
- 5+ Workshops
- B2B Meetings

Conference Highlights

- Plant Biology
- Phytopathology
- Phyto morphology
- Plant and Molecular Biotechnology
- Plant Genetics and Plant Genomics
- Plant and Molecular Breeding
- Plant Nanotechnology
- Agriculture and Horticulture
- Indigenous Medicines
- Medicinal and Aromatic Plant Sciences
- Aquatic Plants Ecology
- Forest Ecology
- Soil-Plant Tissue
- Biodiversity

Event at a Glance

Day-01 | Wednesday | 25 April 2018	
Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Endocrinology Research and Development
13:00-13:45	Lunch Break**
13:45-16:00	Endocrine Cancer/ Endocrine Tumor
16:00-16:15	Diabetes and its Treatment/ Diseases and disorders
16:15-18:00	Obesity and Metabolism/ Pregnancy, Reproduction and Infertility
Day Concludes	
Day-02 | Thursday | 26 April 2018	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Challenges and Improvements/ Nutrition and Neuropathy
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Management and Prevention
13:00-13:45	Lunch Break**
13:45-16:00	Alternative Therapies and Complications
16:00-16:15	Research and Advancements
16:15-18:00	Poster Presentations
Day Concludes	
Award Ceremony	
Conference Concludes	

Editorial Board Members

Su Sheng Gan
Cornell University, USA
David B Hannaway
Oregan State University, USA
Mariam B Sticklen
Michigan State University, USA
Tatsuru Masuda
The University of Tokyo, Japan
Russell W Jessup
Texas A&M University, USA
Mithila Jugulam
Kansas State University, USA
Jianhua Zhu
University of Maryland, USA
Jinrong Wan
University of Missouri, USA
Nnadozie Oraguzi
Washington State University, USA
Marc Beyrouthy
Holy Spirit University of Kaslik (USEK), Lebanon
Jian Yong WU
The Hong Kong Polytechnic University, China

Journals

Selected contributions will be published in following supporting international Journals

Research & Reviews:

Journal of Obesity and Eating Disorders

Sponsorship and Exhibiting Opportunities

Supporting our events as a sponsor is an excellent promotional tool for your company/organization and a fantastic way of achieving several marketing and sales goals all in the space of 3 valuable full days. Our attendees are actively seeking and researching solutions to their business problems, you can save yourself a lot of time and money throughout the year by simply being a sponsor and do more in those intense 3 days for your company than the whole year! Whether the goal is to increase brand aware-ness and credibility, getnerate new sales leads or maintain & expand existing relationships, we have the right sponsorship to broaden your competitive advantage in the market-place and attract your target market.

Want to find out some more about the sponsorship opportunities we have available?

Call Program Manager on 800-101-2526 (or)

email him at plantbiology@meetingseries.com; plantbiology@annualmeet.org with "Sponsorship Enquiry" in the subject line. (* Please note that sponsorship opportunities are limited due to the educational-led focus of this event. Please enquire for availability.

Why Sponsor Our Event?

- Opportunity to meet new business partners enhance customer relationships
- International exposure through promotions
- Increase brand name by partnering
- Reevaluate market position as thought leader
- Ensure market presence with a speaking slot
- Raise your profile and shape your corporate image with logo placement
- Develop new client relationships and affirm existing ones
- Your product/services gets good recognition and remuneration in the world

Sponsorship Packages

- Diamond Sponsor
- Gold Sponsor
- Silver Sponsor
- Bronze Sponsor
- Exhibition

For any other and customized packages, write to Program Manager.

About Dubai

Dubai is the largest and most populous city in the United Arab Emirates(UAE). Dubai is the capital of the Emirates of Dubai. Dubai emerged as a global city and business hub of middle east. Its main revenue is from western-style model of business, tourism, aviation, real estate and financial services. Dubai is rated as one of the best places to live in the middle east by U.S. global consulting firm Mercer. Dubai has recently attracted world attention through many innovative large construction projects and sports events. The city has become iconic for its skyscrapers and high-rise buildings, in particular the world's tallest building, the Burj Khalifa. Dubai was the 7th most visited city of the world based on air traffic and the fastest growing, increasing by a 10.7% rate. Dubai hosted 14.9 million overnight visitors in 2016, and is expected to read 20 million tourists by 2020. Dubai has been called the "shopping capital of the Middle East". The UAE culture mainly revolves around the religion of Islam and traditional Arab culture. The influence of Islamic and Arab culture on its architecture, music, attire, cuisine and lifestyle are very prominent as well.
