Dubai, UAE

6th Annual Congress on

Plant science & Soil Ecology

EuroSciCon

Plant Science Biology

2019

Invitation

Dear Attendees,

We are glad to announce the 6th Annual Congress on Plant science & Soil Ecology to be held in Dubai, UAE from October 31-November 1, 2019 organized by EuroSciCon LTD in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Plant science Biology 2019 research will be available to discuss with you the latest issues and trends in Unveiling the emerging research for delivering effective Plant Science Biology 2019.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Plant Science Biology Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Dubai in October.

Sincerely,

Plant Science Biology 2019

Organizing Committee

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Plant & Soil Science Researchers accessing the website, Plant Science Biology 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Plant Science Biology 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

October 31- November 01, 2019

Dubai, UAE

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Plant Science Biology

2019

Who'd be attending?

6th Annual Congress on Plant Science & Soil Ecology plays host for the Multinational Organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Plant Science Consultants, Plant Science, pathology, the workplace, pesticides, plant breeding, the Plant Science and its applications and the plant science professionals, plant science scientists and Plant Science Researchers and others who stay plunged in learning and practice of the of Plant Science.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Plant morphology
- Plant physiology
- Medicinal plant sciences
- plant pathology and agricultural science
- Plant Nutrition and Crop-Soil Sciences
- Soil science and soil-plant nutrition
- Plant Hormones
- Plant Neurobiology
- Forest Science & Technology
- Agricultural and Biosecurity
- Plant Genetics and Genomics
- Plant Tissue Culture
- Plant Nutrition
- Plant Signaling
- Soil Metabolism
- Soil and Plant Ecology
- Soil Pollution
- Soil Fertility and Soil Regeneration
- Agricultural and Natural Resources
- Soil Geography
