INVITATION

ABOUT CONFERENCE

By successfully completing Plastic Surgery 2024 conference, we are glad to announce our upcoming “5th International Conference on Plastic and Aesthetic Surgery” on November 17-18, 2025 in Paris, France. The Conference focuses on the

Theme: “Pioneering Technologies and Global Perspectives in Plastic Surgery”

Plastic Surgery 2025 invites oral sessions on Advanced Transplantation Techniques, Regenerative Medicine Applications in Plastic Surgery, and Innovative Approaches to Skin Rejuvenation and other related areas. The conference will cover essential aspects of cryopreservation techniques, their significance in wound healing, scar revision, and tissue engineering in the field of reconstructive and aesthetic surgery.

Plastic Surgery 2025 emphasizes the latest innovations in surgical techniques and technologies aimed at improving patient outcomes in facial reconstruction, burn treatment, and breast reconstruction. The focus includes advancements in minimally invasive procedures, the use of biocompatible materials, and personalized treatment plans tailored to individual patient needs. Additionally, the integration of advanced regenerative medicine strategies and enhanced recovery protocols is contributing to quicker recovery times and more natural aesthetic results.

YOUNG RESEARCH FORUM:

We are excited to announce the Young Scientist Awards at the 5th International Conference on Plastic and Aesthetic Surgery, scheduled for November 17-18, 2025, in Paris, France. This Plastic Surgery 2025 conference focuses on “Pioneering Technologies and Global Perspectives in Plastic Surgery.” The conference will recognize young researchers who have made significant contributions to the field of plastic and aesthetic surgery, enhancing the scientific community’s understanding and practice. The Young Scientist Award provides a valuable opportunity for professional development by allowing awardees to meet and collaborate with leading experts, share their experiences, and exchange knowledge at this prestigious international platform.

CONFERENCE HIGHLIGHTS

- Advances in Aesthetic Surgery
- Reconstructive Surgery Innovations
- Minimally Invasive Procedures
- 3D Imaging and Surgical Simulation
- Stem Cell Therapies in Plastic Surgery
- Body Contouring and Post-Bariatric Surgery
- Breast Surgery Techniques
- Ethics in Plastic Surgery
- Patient-Centered Outcomes
- Future of Plastic Surgery

TARGET AUDIENCE

- Plastic Surgeons
- Aesthetic Surgeons
- Reconstructive Surgeons
- Dermatologists
- Cosmetic Surgeons
- Researchers and Scientists
- Nurses and Surgical Technicians
- Medical Device and Equipment Manufacturers
- Pharmaceutical Companies
- Regenerative Medicine Specialists
- Medical Students and Trainees
- Hospital Administrators and Policy Makers
- Clinic Owners
- Insurance Providers
- Media and Journalists

SESSION HIGHLIGHTS

- Advances in Aesthetic Surgery
- Reconstructive Surgery Innovations
- Stem Cells and Regenerative Medicine in Plastic Surgery
- Post-Bariatric Surgery Body Contouring
- Burn Surgery and Scar Management
- Gender-Affirming Surgery
- Minimally Invasive Procedures
- 3D Imaging and Surgical Planning
- Robotic-Assisted Plastic Surgery
- Patient Safety and Ethics in Plastic Surgery
- Innovations in Breast Surgery
- Hand Surgery and Microsurgery
- Education and Training in Plastic Surgery

Past Event Report

Meetings International successfully hosted its fifth series of the International Conference on Plastic and Aesthetic Surgery. The conference, held under the theme “Innovations and Future Directions in Plastic and Aesthetic Surgery,” was a resounding success.

Eminent keynote speakers from leading medical institutions and industry experts shared their insights into the latest advancements in plastic and aesthetic surgery, highlighting cutting-edge techniques and technologies.

The enthusiastic response and active participation of the organizing committee members were instrumental in the success of the event. We would also like to extend our heartfelt gratitude to all the speakers, delegates, and participants for their invaluable contributions and engagement throughout the conference.

About Venue:

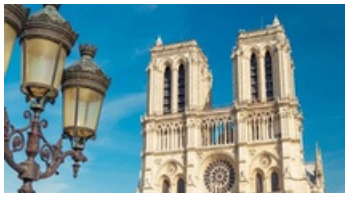

Paris, the iconic capital of France, blends timeless elegance with a rich cultural heritage, showcasing grand boulevards, historic landmarks, and world-class art. Known as the “City of Light,” Paris is celebrated for its stunning architecture, from the majestic Eiffel Tower to the intricate details of Notre-Dame Cathedral and the grandeur of the Louvre. As a global center for fashion, art, and gastronomy, Paris boasts renowned shopping districts like the Champs-Élysées and vibrant culinary scenes in neighborhoods like Le Marais and Saint-Germain.

The Seine River meanders through the city, with picturesque bridges and quays that come alive at night as Paris transforms into a magical display of illuminated monuments. Luxury and romance thrive here, with classic cafés, elegant boutiques, and historical sites coexisting harmoniously with the contemporary art scene and modern lifestyle.
