EuroSciCon

Plastic Surgery Week

2019

Invitation

Welcome to Paris, the City of light, romance and fashion And Craft and explore the era of Plastic & Aesthetic Surgery as never before. EuroSciCon is proud to host the International Congress on Plastic Surgery, 28-29 November, 2019 in Paris, France. This year's theme is "Prosperous Explore In the Era of Modern Plastic Surgery". PLASTIC SURGERY WEEK 2019 will provide an unprecedented opportunity for plastic surgeons, beauticians, aesthetic surgeons, of all stripes and colours to share their research with colleagues, and discuss and debate the latest advancement in the field. We invite plastic surgeons, cosmetologist, pharmacologists, aesthetic surgeons, beauticians, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Emerging scientists, young researchers, mid-career professionals, students of the respective fields, all are welcome. With a huge array of keynote presentations, panel discussions, workshops, and poster sessions, the conference on Plastic Surgery is just the perfect venue not only to dive into your particular PLASTIC SURGERY interests but also to expand the scope of your knowledge. 27 tracks are devoted to subjects such as Anaplastology and Reconstructive Surgery, Cosmetoplasty, Otorhinoplasty, Cosmetic Gynaecology, Surgical & Non- Surgical Aesthetic Procedures, Breast Aesthetics, Cosmetics, Injectables And Fillers, Cosmetic Dentistry, Permanent Make Up, Mommy Make Over, Botulinum Application, Body Aesthetics, Trichology, Body Contouring, Dermatology, Body Modification, Sex Reassignment Surgery, Paediatric Plastic Surgery, Reconstructive Surgery, Burn And Trauma Rectification, Microsurgery, Implants and Biomaterials of Plastic Surgery, Male-Specific Plastic Surgery, Laser Treatment, Plastic & Aesthetic Surgery Business, Nanotechnology In Cosmetology & Dermatology and Beautifying Machines. The Organizing Committee has done up to its best level to set up a framework that we think will allow for excel in interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Plastic Surgery forum in person is your active participation and cooperation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Cosmetologist, Plastic Surgeons, Aestheticians, Dermatologists, Medical Practitioner, and Young Researchersaccessing the website, Plastic Surgery Week 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Plastic Surgery Week 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

November 28-29, 2019
Paris, France

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Plastic Surgery Week

2019

Who'd be attending?

5th International Plastic Surgery Week plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Plastic Surgeons, Aestheticians, Beauticians,Cosmetologist, Pharmacologists, Laboratory Directors and Chemists and others who stay plunged in learning and practice of the science of Plastic Reconstructive & Aesthetic Surgery.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Anaplastology and Reconstructive Surgery
- Cosmetoplasty
- Otorhinoplasty
- Cosmetic Gynecology
- Surgical & Non- Surgical Aesthetic Procedures
- Breast Aesthetics
- Cosmetics, Injectables And Fillers

About Destination Paris

Paris, France's capital, is a vital European city and an overall spot for craftsmanship, style, gastronomy, and culture. Paris, the City of Light is the world's most visited capital. The city is happy for its various milestones from the famous Eiffel Tower to the self important Notre-Dame place of supplication and the radiant Arc de Triomphe. Paris was established around the finish of the third century BC by the Gauls who were called Parisii. In 52 BC Julius Caesar's armies vanquished the region, establishing the Roman city, Lutetia on the prior settlement. Christianity was presented in the second century AD, while the Roman mastery finished in the fifth century with the landing of the Franks. In 508 Clovis I set up Paris as the capital of the kingdom. Apparently, this is Europe's most enchanting capital! Paris is similarly called the "City of Love" for different reasons, including its sights, its nearby language and its pervasiveness as a unique night objective. Staying over the city is the most wistful of spots, the Eiffel Tower. The world calls Paris as the structure capital of the world. The brasseries of Boulevard Montparnasse, Luxembourg Gardens, Eiffel Tower(Symbol of Romance), Musée du Louver, Cathédrale Notre-Dame de Paris, Avenue des Champs-Élysées, Musée d'Orsay, Seine River Cruises, and so on are the highest voyager puts in Paris. So come we should examine Paris this time with the reward of learning in Plastic Surgery. Paris is both the political and financial capital of France. With a GDP of €649 billion, it represented 30% of the riches produced in France in 2014 and its weighting in the general French economy has expanded lately. The Greater Paris Region is additionally the no. 1 economy in Europe and records for around 5% of European GDP.
