INTERNATIONAL CONFERENCE ON

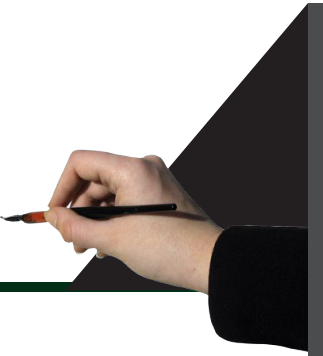

POWER ENGINEERING AND SMART GRID TECHNOLOGY

Power 2019

August 21-22, 2019 | Hong Kong, China

INVITATION

Power 2019

Meetings International proudly announces the **International Conference On Power Engineering and Smart Grid Technology** scheduled during **August 21-22, 2019 at Hong Kong, China.** The conference emphasizes the theme "**Advanced Technologies and Researches on Power & Energy Revolution**".

Meetings International provides an international dais for scientists and Power Engineers professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. This Power Engineering conference facilitates better understanding about the technological developments and scientific advancements across the world by simultaneously equating with the pace of science, technology and business areas in the field of power engineering & smart grid technology.

Sincerely,
Operating Committee
Power 2019

Important Dates

Early Bird: **December 31, 2018**

Registration Open: **November 23, 2018**

Abstract Submission Deadline: **January 26, 2019**

On Spot Registration: **August 21, 2019**

CONFERENCE HIGHLIGHTS

- Power System & Engineering
- Power and Energy Market
- Smart Grid Technologies
- Sustainable Energy Technologies
- Energy Economics and Policy
- Alternative Energy Technologies
- Clean and Green Energy
- Fuel Cell and Combustion Technologies
- Nano Environmental Technologies
- Power Transmission & Distribution
- Advanced Materials for Energy Storage
- Power Electronics

Meetings Int. offers

An unique platform for top level research and innovation

Hong Kong
China

Power 2019

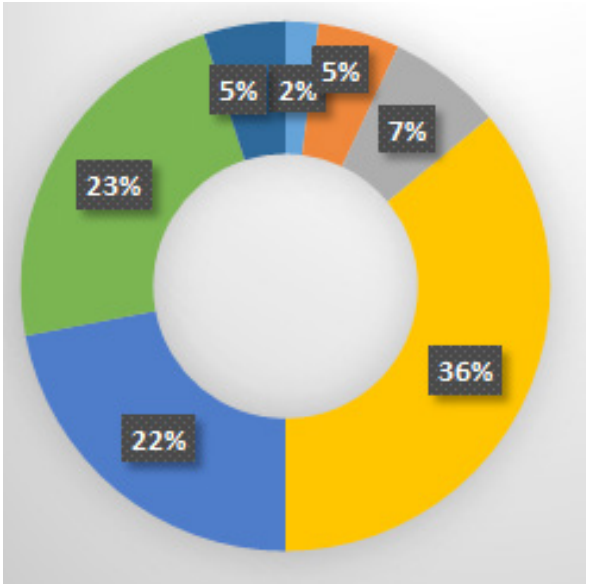

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication

- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scholars
- Business Enterprenures

ABOUT HONG KONG

Hong Kong is located south to China and east to Macao in Asia and is the world's fourth densely populated country. It is also known to be "Asia's World City" and is one of the major shopping destinations. There are many tourist places which are must visit like Hong Kong Disneyland, Lantau Island, Ngong Ping 360, Tian Tan Buddha, Victoria Peak, Lamma Island and many more. Hong Kong is an autonomous territory, and a former British colony, in southeastern China. It's a vibrant, densely populated urban center is a major port and global financial hub with a skyscraper-studded skyline. Central (the business district) features architectural landmarks like I.M. Pei's Bank of China Tower. Hong Kong is also a major shopping destination, famed for bespoke tailors and Temple Street Night Market.
