INTERNATIONAL CONFERENCE ON

POWER ENGINEERING AND SMART GRID TECHNOLOGY

Power 2019

November 18,19 2019 | Tokyo Japan

INVITATION

Power 2019

Meetings International proudly announces the **International Conference On Power Engineering and Smart Grid Technology** scheduled during **November 18,19 2019** at **Tokyo Japan.** The conference emphasizes the theme "**Advanced Technologies and Researches on Power & Energy Revolution**".

Meetings International provides an international dais for scientists and Power Engineers professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. This Power Engineering conference facilitates better understanding about the technological developments and scientific advancements across the world by simultaneously equating with the pace of science, technology and business areas in the field of power engineering & smart grid technology.

Sincerely,
Operating Committee
Power 2019

Important Dates

Early Bird: **April 30, 2019**

Registration Open: **December 23, 2018**

Abstract Submission Deadline: **April 25, 2019**

On Spot Registration: **November 18, 2019**

Tokyo, Japan

CONFERENCE HIGHLIGHTS

- Power System & Engineering
- Power and Energy Market
- Smart Grid Technologies
- Sustainable Energy Technologies
- Energy Economics and Policy
- Alternative Energy Technologies
- Clean and Green Energy
- Fuel Cell and Combustion Technologies
- Nano Environmental Technologies
- Power Transmission & Distribution
- Advanced Materials for Energy Storage
- Power Electronics

Power 2019

Meetings Int. offers

An unique platform for top level research and innovation

Tokyo, Japan

https://www.meetingsint.com/conferences/powerengineering

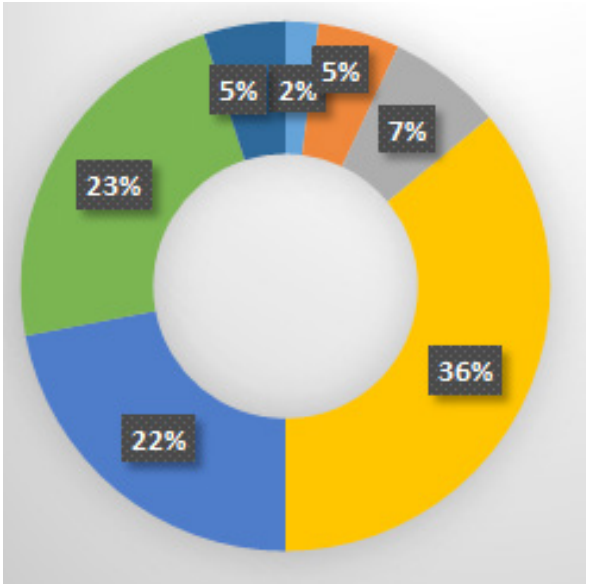

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication

- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scholars
- Business Enterprenures
