Precision Medicine 2018

Annual Precision Medicine & Big Data Congress

October 22-23, 2018 | Vancouver, Canada

https://www.meetingsint.com/conferences/precisionmedicine

Invitation

Meetings International proudly announces the ***Annual Precision Medicine & Big Data Congress*** scheduled during ***October 22-23, 2018*** in ***Vancouver, Canada***. The conference emphasizes the theme "***Accelerating New Research & Innovations in Precision Medicine and Big Data Processing and Technology***".

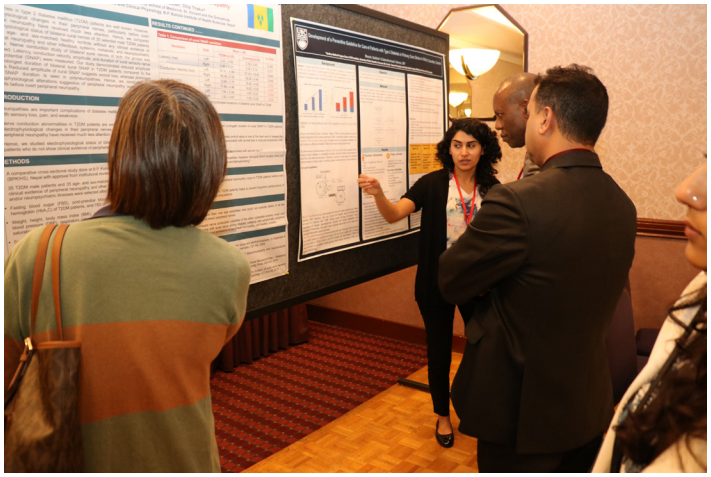

Meetings International provides a Global Platform for Medicine Professionals, Academicians, Medical and Research Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences. Precision Medicine Meeting 2018 will influence an appealing moment to meet people in the experimentation field and therefore it takes a pleasure in opening a doorway to encounter the ability in the field, young researchers and potential World-renowned speakers, the most recent approaches, tactics, and the current upgrade in the field of Medicine.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

- Opportunities in Big Data

Meetings Int. offers

An unique platform for top level research and innovation

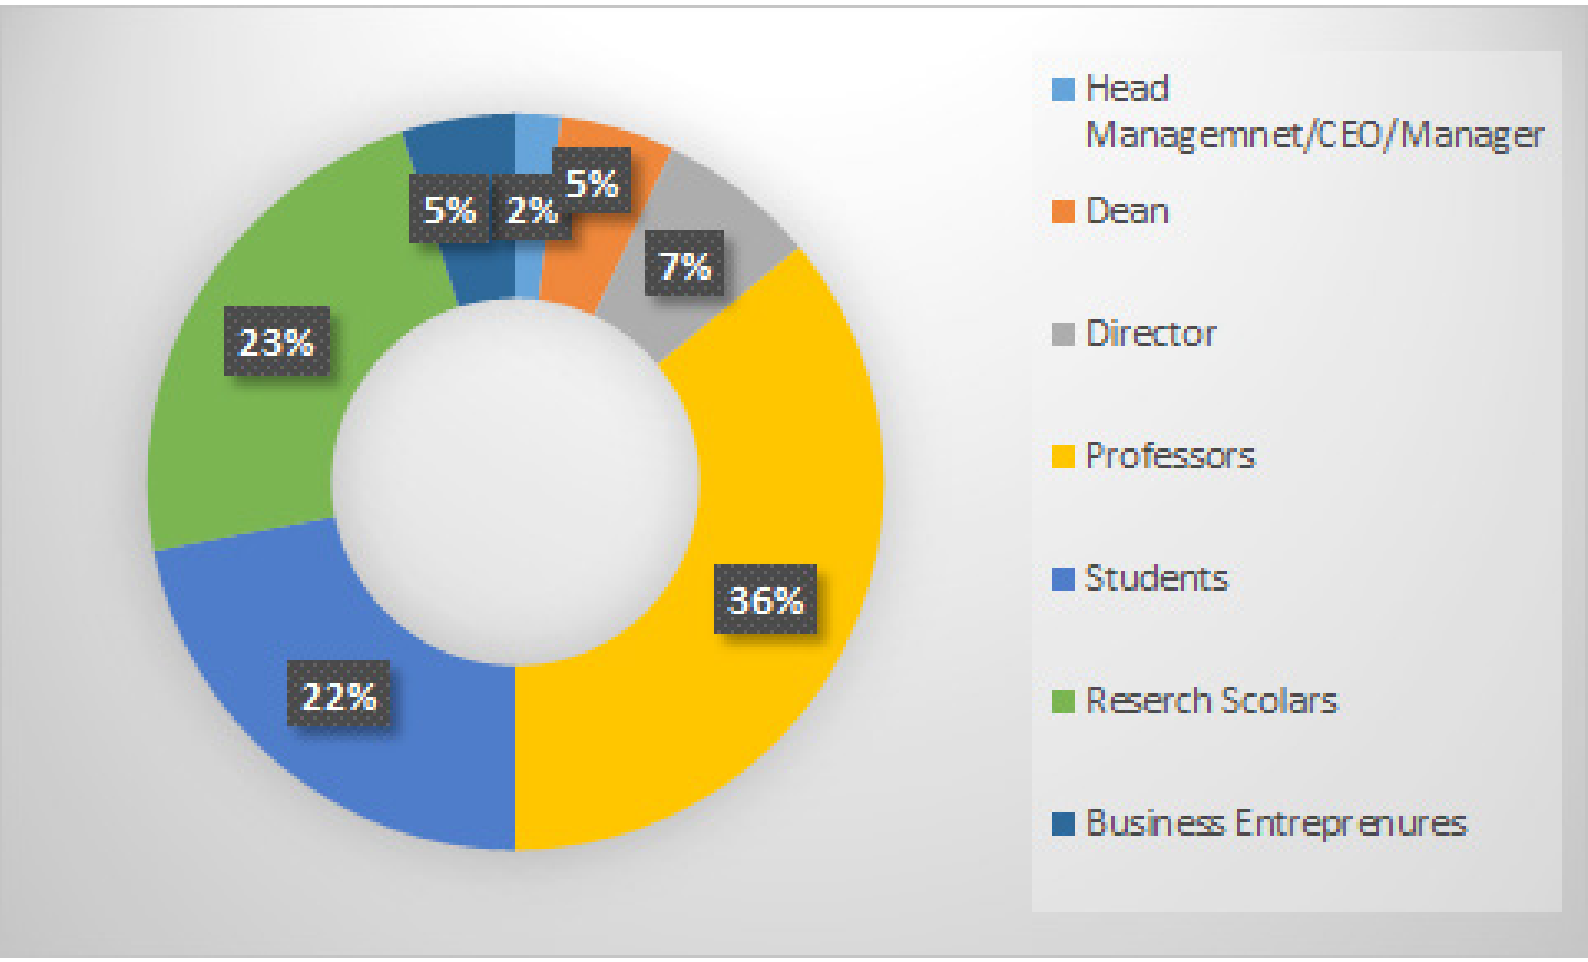

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Vancouver

Vancouver is a coastal seaport city in Canada, as the most populous city in the province. It is one of the most ethnically and linguistically diverse cities in Canada and is classed as a Beta global city. Vancouver is incessantly named as one of the top five worldwide cities for liveability and quality of life and the Economist Intelligence Unit acknowledged it as the first city ranked among the top-ten of the world's most well-living cities.
