Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Best Tourist Destinations in Zurich | Switzerland

About Zurich | Switzerland

Zurich is the major economic, cultural, and social center of Switzerland, located in the heart of Europe. With its distinctive position on Lake Zurich, the Alps on the horizon, the various local leisure sites, and its urban variety, the city provides an ideal environment to live and work.

Zurich has outstanding sports and recreational opportunities, as well as a diversified cultural offering. The infrastructure is also superb, from garbage management to public transportation. In terms of quality of life, the city consistently ranks first in worldwide rankings. In addition, the people consistently give their city high marks in polls.

Winter a lot happens in and around Zurich during the winter. Sports enthusiasts enjoy tobogganing, skiing, snowshoeing, or cross-country skiing in the snow-covered winter paradise. Others seek peace and quiet retreat to a hammer or spa, while gourmets indulge in fondue or hot chocolate.

Summer in Zurich is lively: this is the season when friends, business colleagues, and families gather on the promenades of Lake Zurich, in their local neighborhoods, on attractive garden terraces, or in one of more than 40 “Badis,” as Zurich residents lovingly refer to their lidos by the lake.
