PRIMARY HEALTHCARE & NURSING

2018

Invitation

EuroSciCon proudly announces the “Annual Congress on Primary Healthcare & Nursing” during July 23-24, 2018 Amsterdam, Netherlands, with the theme “Bridging Excellence in Primary Healthcare Affairs”. EuroSciCon through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community.

Primary Healthcare & Nursing is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence and ideas, and generate solutions. The main focus of Primary Healthcare & Nursing is to present research findings, discuss research methodology and policy issues, and build and maintain essential networks between researchers, practitioners, policy makers and representatives of consumer organizations. Primary Healthcare & Nursing works with the theme “Bridging Excellence in Primary Healthcare Affairs” aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. Patients with access to a regular primary care physician have lower overall health care costs than those without one, and health outcomes improve.

Amsterdam is the capital city of Netherlands. Amsterdam port is considered as one of the major ports in Europe from 17th Century and 4th biggest port in Europe.
