Welcome Message

Meetings International proudly announces the Global Experts Meeting on Global Proteomics Conference scheduled during October 25-26, 2017 at Dubai, UAE. With a theme of "Improved understanding, latest advances and future prospects in the field of proteomics ".

Meetings International provides a Global Platform for Chemistry Professionals, Biotech, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Proteomics market analysis has its advancement in case of Proteomics equipment's & technologies this has made enormous progress in past few years, the global proteomics market is valued at USD 12.54 Billion in 2016. This market is expected to grow at a CAGR of 11.7% during the forecast period to reach USD 21.87 Billion by 2021. Proteomics attribute to the study of proteomes, but is also used to characterize the techniques used to determine the complete set of proteins of an organism or system, such as protein purification & mass spectrometry.

Proteomics Meeting 2017 conference will impact an attractive moment to meet people in the research field and therefore it takes a delight in opening a gate to meet the ability in the field, young researchers and potential speakers. The conference also includes essential topics on Proteomics & System Biology, Chemical Proteomics & Profiling Drug Targets, Multiomics for Precision Medicine & Systems Biology, Analytical Proteomics & Genomics, Bioinformatics and Computational Proteomics, Clinical & Translational Proteomics, Innovative Fractionation & Enrichment Techniques,Proteomics Technologies, Biomedical Sciences In Proteomics, Innovative Mass Spectrometry Techniques, Cancer Epigenetics, Metabolic Disorders & Metabolomics, Stem Cell Proteomics, Imaging & Single Cell Proteomics.

Attend to gain an unmatched experience in the Biochemistry field.

Meetings International Proteomics Meeting will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other novel development strategies from some of our workshops and symposiums. Engage in dynamic conversation with your industry peers at our multiple networking sessions, and takeaway novel drug development and commercialization strategies, which could speed up time to market and enhance your marketing strategies. We hope you will join us in Dubai, UAE this August to enhance your research capabilities, and increase time to market on therapeutics.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

Organizing Committee Members

Abdellah Salhi

University of Essex

UK

Nawin C. Mishra

University of South Carolina

USA

George Perry

University of Texas

USA

Alireza Heidari

California South University

USA

Abdulaziz Al-hamidi

KKMA, University of Essex

UAE

Asad U Khan

Aligarh Muslim University

India

Sukanta Mondal

Principal Scientist ICAR

India

Who Should Attend?

- Biochemistry, biotech, CRO, diagnostic and academic professionals,Researchers specializing in:
- Genetics
- Proteomics, Genomics
- Bioinformatics
- System Biology
- Molecular Biology
- Peptide Development and Optimization
- Protein Chemistry
- Therapeutics Peptide Chemistry
- Discovery Technology
- Specialty Peptide synthesis providers / CMOs
- Drug Development
- Health care
- Bioavailability
- Process R&D
- Biologics Research, Bio manufacturing and Manufacturing

Why Attend?

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 3 full days sharing innovative peptide drug
- development take-home strategies
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Industry and Academia Delegates
- Networking
- Exhibit hall with leading specialty manufacturing, instrumentation and development providers

Conference Highlights

- Proteomics & System Biology
- Chemical Proteomics & Profiling Drug Targets
- Multiomics for Precision Medicine & Systems Biology
- Analytical Proteomics & Genomics
- Bioinformatics and Computational Proteomics
- Clinical & Translational Proteomics
- Innovative Fractionation & Enrichment Techniques
- Proteomics Technologies
- Biomedical Sciences In Proteomics
- Innovative Mass Spectrometry Techniques
- Cancer Epigenetics
- Metabolic Disorders & Metabolomics
- Stem Cell Proteomics
- Imaging & Single Cell Proteomics

Event at a Glance

Day -01 | October 25, 2017 | Wednesday	
Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Proteomics & System Biology | Chemical Proteomics & Profiling Drug Targets | Multiomics for Precision Medicine & Systems Biology
13:00-13:45	Lunch Break**
13:45-16:00	Analytical Proteomics & Genomics | Bioinformatics and Computational Proteomics | Clinical & Translational Proteomics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Innovative Fractionation & Enrichment Techniques | Proteomics Technologies
Day Concludes	
Day -02 | October 26, 2017 | Thursday	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Biomedical Sciences In Proteomics | Innovative Mass Spectrometry Techniques
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Cancer Epigenetics | Metabolic Disorders & Metabolomics
13:00-13:45	Lunch Break**
13:45-16:00	Stem Cell Proteomics | Imaging & Single Cell Proteomics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Award Ceremony	
Conference Concludes	

Editorial Board Members

Marjan Gucek
National Heart, Lung, and Blood Institute, USA

Ning Li
HKUST, Hong Kong

Sandra Rodriguez-Zas
University of Illinois, USA

David M. Lubman
University of Michigan Medical Center, USA

Kazuyuki Nakamura
Yamaguchi University School of Medicine, Japan

Rob Krams
Imperial College of London, UK

Richard J. Simpson
La Trobe University, Australia

Jeffrey Skolnick
Georgia Institute of Technology, United states

Journals

Selected contributions will be published in following supporting international Journals

Research & Reviews: Journal of Proteomics & Bioinformatics
https://www.omicsonline.org/proteomics-bioinformatics.php

Research & Reviews: Journal of Pharmacogenomics & Pharmacoproteomics
https://www.omicsonline.org/pharmacogenomics-pharmacoproteomics.php

Research & Reviews in Journal of Data Mining in Genomics & Proteomics
https://www.omicsonline.org/data-mining-in-genomics-proteomics.php

Sponsorship and Exhibiting Opportunities

Supporting our events as a sponsor is an excellent promotional tool for your company/organization and a fantastic way of achieving several marketing and sales goals all in the space of 3 valuable full days. Our attendees are actively seeking and researching solutions to their business problems, you can save yourself a lot of time and money throughout the year by simply being a sponsor and do more in those intense 3 days for your company than the whole year! Whether the goal is to increase brand aware-ness and credibility, getnerate new sales leads or maintain & expand existing relationships, we have the right sponsorship to broaden your competitive advantage in the market-place and attract your target market.

Want to find out some more about the sponsorship opportunities we have available?

Call Program Manager on 800-101-2526 (or)

email him at globalproteomics@meetingseries.org with "Sponsorship Enquiry" in the subject line. (* Please note that sponsorship opportunities are limited due to the educational-led focus of this event. Please enquire for availability.

http://www.meetingsint.com/biochemistry-conferences/proteomics

Why Sponsor Our Event?

- Opportunity to meet new business partners enhance customer relationships
- International exposure through promotions
- Increase brand name by partnering
- Reevaluate market position as thought leader
- Ensure market presence with a speaking slot
- Raise your profile and shape your corporate image with logo placement
- Develop new client relationships and affirm existing ones
- Your product/services gets good recognition and remuneration in the world

Sponsorship Packages

- Diamond Sponsor
- Gold Sponsor
- Silver Sponsor
- Bronze Sponsor
- Exhibition

For any other and customized packages, write to Program Manager.

About Dubai

Dubai is the most populous city in the United Arab Emirates (UAE). It is located on the southeast coast of the Persian Gulf and is one of the seven emirates that make up the country. The city of Dubai is located on the emirate's northern coastline and heads up the Dubai-Sharjah-Ajman metropolitan area. Dubai is to host World Expo 2020.

Dubai has emerged as a global city and business hub of the Middle East. It is also a major transport hub for passengers and cargo. By the 1960s, Dubai's economy was based on revenues from trade and, to a smaller extent, oil exploration concessions, but oil was not discovered until 1966. Oil revenue first started to flow in 1969. Dubai's oil revenue helped accelerate the early development of the city, but its reserves are limited and production levels are low: today, less than 5% of the emirate's revenue comes from oil. The emirate's Western-style model of business drives its economy with the main revenues now coming from tourism, aviation, real estate, and financial services. Dubai has recently attracted world attention through many innovative large construction projects and sports events. The city has become iconic for its skyscrapers and high-rise buildings, in particular the world's tallest building, the Burj Khalifa. Dubai delivers a world class education and also immense job opportunities for well-educated students.
