Invitation

Dear Attendees,

Meetings International proudly announces the World Psychiatrists and Psychologists Conference scheduled during March 16-17, 2020 in Las Vegas, USA. The conference emphasizes the theme "Navigating the concepts and research ideas in Psychiatry and Psychology".

Psychiatrists 2020 is going to gather all the renowned eminent scientists, senior/junior research fellows, professors, students, leading neurologist & psychiatrists, members of different psychiatric association, medicine and medical technology companies related to psychiatry and psychology under a single roof for these two days to showcase the developments and future direction on this matter. It additionally supports the dynamic investment of youthful undergraduate researchers as we are facilitating Poster Walks and Young research Forums at the conference. This conference provides the best platform to the scientific community and industry to share their experiences and researches, wherein they can add to the society and get to know about the latest techniques of Pediatric nutrition & healthcare which can help in their personal growth as well.

Sincerely,

Operating Committee

Explore Las Vegas

The City Las Vegas changes every time, especially on and around the strip. Las Vegas is an internationally known as the major resort city, primarily for its wagers, shopping, fine dining, entertainment, and nightlife. The leading financial, commercial, and cultural as a whole serves by the Las Vegas Valley. Las Vegas is situated within Clark County in a basin, which is on the floor of the Desert known as Mojave, which is surrounded by mountain ranges from all sides. The most visited tourist attractions in Las Vegas are the casinos, for a great aerial view over Las Vegas or even the Grand Canyon they have a number of companies providing helicopter tours that take visitors over Las Vegas, Mirage Hotel for Erupting Volcano and Secret Garden, High Roller Ferris Wheel etc.
