It's a dynamic metropolis with a core of soaring skyscrapers, all dwarfed by the iconic, free-standing CN Tower. Toronto also has many green spaces, from the orderly oval of Queen's Park to 400-acre High Park and its trails, sports facilities and zoo. The economy of Toronto is the largest contributor to the Canadian economy, at 20% of national GDP, and an important economic hub of the world. Toronto is a commercial, distribution, financial and industrial centre. It is the banking and stock exchange centre of Canada, and is the country's primary wholesale and distribution point.
