VISIT US

Dear Attendees,

Psychology helps people in large part because it can explain why people act the way they do. With this kind of professional insight, we bring The “**4th world Congress on Psychiatrists and Psychologists**”. This will be one of the leading Psychiatry conferences scheduled for **June 27-28, 2024** in the most attractive place **Paris, France**.

After three spectacular successes and overwhelming responses from our previous conferences, we eagerly anticipate bringing together the worldwide audience and attendees once again to pave the way for Psychiatry 2024 conference will be focusing on the theme “The Social Dimension of Psychiatry from Stigma to Support”.

Hope you all join and make the year’s most exciting event successful.

We accept abstracts for the oral presentation; therefore request you all to submit the abstracts at the earliest before the early bird dates.

Sincerely,
Operating Committee
Psychiatry 2024

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the **4th World Congress on Psychiatrists and Psychologists** scheduled in **Paris, France**, on **June 27–28, 2024**. This Psychiatry 2024 focuses on the theme of The Social Dimension of Psychiatry from Stigma to Support. The psychiatry meeting and upcoming conferences will recognise participants who have significantly added value to the scientific community of medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences. The conference operating committee is providing a platform for all budding young researchers, young investigators, post-graduate/Master's students, Ph.D. students, and trainees to showcase their research and innovation.

Eligibility: Young scientists, faculty members, post-doctoral fellows, Ph.D. scholars, and final-year MSc and M.Phil. Candidates and persons from the scientific industry can also participate.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.
