INVITATION

ABOUT CONFERENCE

By successfully completing Psychiatry 2025 conference, we are glad to announce our upcoming “5th World Congress on Psychiatrists & Psychologists” on April 16-17, 2025 in Tokyo, Japan.

The Conference focuses on the Theme: “Innovative Approaches and Future Trends in Mental Health”. Psychiatry 2025 will unite leading experts, researchers, and practitioners from around the world. The primary goal is to explore innovative strategies for improving access to quality care and addressing emerging challenges in psychiatry. The event will feature insightful plenary sessions, interactive workshops, and a dynamic poster session, providing ample opportunities for networking and collaboration. Additionally, the historic backdrop of Tokyo will add an extra layer of inspiration to our collective pursuit of advancing pediatric care globally. We eagerly anticipate your valuable research and collaboration at this transformative event.

YOUNG RESEARCH FORUM:

We are announcing the Young Scientist Awards through the **5th World Congress on Psychiatrists & Psychologists** which is scheduled on **April 16-17, 2025** in **Tokyo, Japan**. This Psychiatry 2025 will recognize participants who have significantly added value to the scientific community of Medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

Past Event Report

Meetings International Conference successfully hosted its Fourth series on the “4th World Congress on Psychiatrists & Psychologists in Paris, France during June 27-28, 2024 in Millennium Hotel Paris Charles De Gaulle. The conference was organised and it was a great success.

Eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

Tokyo, Japan’s busy capital, mixes the ultramodern and the traditional, from neon-lit skyscrapers to historic temples. Tokyo is the largest metropolitan area in the world, hosting over 36 million people spread over three prefectures Tokyo is famous for Anime, electronics, manga, and video games. Akihabara is the epicentre if it all. It becomes a jungle of electric lights and colours at night, providing a sensory overload for visitors. Getting lost, window shopping, and photography are top activities here. Japan has an image of being one of the most expensive countries in the world, Tokyo was formerly known as “Edo”. The name was changed to Tokyo in 1890 in light of the Meiji Restoration.
