Past Event Report

Meetings International Conference successfully hosted its Fourth series on the "5th world congress on Psychiatrists & Psychologists" in Tokyo, Japan during April 16-17, 2025 in Radisson Narita. The conference was organised and it was a great success. Eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other

hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

About Venue:

Singapore, known as the “Lion City,” is one of the most dynamic and multicultural hubs in Asia, making it an ideal destination to host the 6th World Congress on Psychiatrists & Psychologists. Blending modern innovation with rich cultural heritage, Singapore offers a world-class environment for international conferences, academic exchange, and networking.

Renowned for its excellent infrastructure, seamless connectivity, and state-of-the-art conference facilities, Singapore ensures a smooth experience for global delegates. The city’s vibrant atmosphere is enriched by its diversity, offering participants exposure to different perspectives and fostering meaningful collaborations in the fields of psychiatry and psychology.

Beyond the conference halls, Singapore provides a unique opportunity to explore its iconic landmarks such as Marina Bay Sands, Gardens by the Bay, and Sentosa Island. Visitors can also enjoy a variety of cuisines in the city’s famous hawker centers, reflecting the harmonious blend of Chinese, Malay, Indian, and Western influences.
