ABOUT VANCOUVER

Vancouver is the third-biggest port by tonnage in the North America. Vancouver is the busiest and biggest in Canada, and the most enhanced port in North America. While ranger service remains its biggest industry, Vancouver is notable as a urban focus encompassed ordinarily, making the travel industry its second-biggest industry .This site, with its regular harbour, was chosen in 1884 as the end for the Canadian Pacific Railway, to the mistake of Port Moody, New Westminster and Victoria, all of which had competed to be the railhead. A railroad was among the promptings for British Columbia to join the Confederation in 1871, however the Pacific Scandal and contentions over the utilization of Chinese work deferred development until the 1880s. Vancouver is one of Canada's hottest urban communities in the winter. Vancouver has the coolest summer normal high of all real Canadian metropolitan regions.
