Asian Pulmonology Summit

August 26-27, 2020 | Dubai, UAE

Pulmonology 2020

Invitation

Meetings International proudly announces the Asian Pulmonology Summit scheduled during August 26-27, 2020 at Dubai, UAE. The conference emphasizes the theme "Optimizing research strategies for Lung disorder treatments".

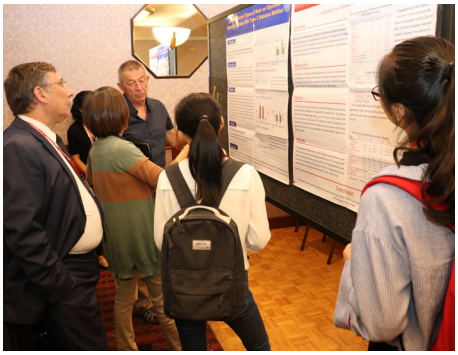

Meetings International provides an international dais for scientists and Pulmonology Research science professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences. Pulmonology 2020 will be a platform for plenary speakers, Keynote speakers, Invited speakers and Young Researchers as well as for the youth generation. Likewise, a variety of poster presentations alongside workshops and special sessions would be on the agenda. The summit will work as a discussion point for researchers and experts from all around the world to discuss the cause, effect, prevention as well as the future roadmap of a Pulmonology free society.

Sincerely,
Operating Committee

Explore Dubai

Dubai is the United Arab Emirates' holiday hot spot. This city of high-rises and shopping malls has transformed itself from a desert outpost to a destination du-jour, where tourists flock for sales bargains, sunshine, and family fun. Dubai is famous for sightseeing attractions such as the Burj Khalifa (the world's tallest building) and shopping malls that come complete with mammoth aquariums and indoor ski slopes.

But this city has many cultural highlights and things to do as well as all the glamorous modern add-ons. Take a wander around the Bastakia district, and you'll discover the Dubai of old, then cruise along Dubai Creek in a traditional dhow, and you'll soon realize there's more to this city than its flashy veneer. Dubai's landmark building is the Burj Khalifa, which at 829.8 meters is the tallest building in the world and the most famous of the city's points of interest.
