Glimpse of Recycling-2019

What people are saying???

I am very much grateful of getting this opportunity of taking part in International Conference on Recycling and Waste management during July 22-23 in Japan. We got the chance to meet excellent scholars and professors and discuss various aspects of energy and technology. I wish to see this conference bigger and better in near future

-Enhua Wang, Beijing Institute of Technology, China

The conference was very nice which put together experts in the field of recycling from around the world. I am happy to be a part of the conference. I wish to see more engineers in the near future

-Bobbo Nfor Tansi, Brandenburg University of Technology, Germany

I am very honoured and appreciate the effort of organization to organize this conference in Japan. It was very fruitful and eager to participate in the near future

-Yihuai Hu, Shanghai Maritime University, China
