INVITATION

Dear Attendees,

We are glad to announce the "International Conference on Recycling and Waste Management" which is going to be held during July 21-22, 2022 organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. RECYCLING 2022 aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of International Conference on Recycling and Waste Management. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. International Conference on Recycling and Waste Management amid during July 21-22, 2022 | London, UK. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

RECYCLING 2022

Organizing Committee

RECYCLING 2022

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

We are glad to announce the **International Conference on Recycling and Waste Management is going to be held during** on **June 20-21, 2022 London, UK** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. RECYCLING 2022 which aims to gather the most elegant societies and industries along with the renowned and honorable persons form top universities across the globe. The theme of the conference is "Importance of recycling the wastes on our earth". During Environmental Conferences, the International symposiums, B2B meetings, international workshops will also be organized to discuss the specific topics in the field of Environment and Waste management.

RECYCLING 2022 Salient Features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer
- networking and collaboration. The goals of the conference is to provide a transformative professional development experience
- through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference
- on Recycling and Waste Management, present the most recent research findings, and promote and enhance scientific
- collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to
- more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers
- that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss and apply recent research findings related to RECYCLING
- Reflect on the place of critical distance in RECYCLING

Who Should Attend?

- Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Recycling researchers Business entrepreneurs Environmental academia's Ecologists Training institutes Chemical engineers Environmental Engineers Waste management associations, young scientists as well as corporate delegates

Conference Sessions

- Recycling- Reduce, Reuse, Recovery
- Waste To Energy
- Renewable Energy
- Home Waste Management
- Plastic Recycling
- Solid Waste Management
- Biofuels
- Environmental Chemistry
- E-Waste Recycling And Management
- Food Waste Recycling
- Polymer Science
- Bioenergy

About Hosting Organization

Euroscicon is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
