

EuroSciCon

International Conference on

Recycling and Waste Management

July 20-21, 2020
Barcelona, Spain

Theme:

While recycling is great in a lot of ways, the ultimate goal is to get people to prevent waste in the first place.

EuroSciCon

Recycling Conference

2020

Invitation

EuroSciCon is organizing meeting on International Conference on Recycling and Waste Management is scheduled from July 20-21, 2020 at Barcelona, Spain. EuroSciCon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2020 meeting promises to be a dynamic and informative event and going to explore the issues on work related factors, innovations and integrated approaches towards recycling, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on the Recycling with a theme on ***While recycling is great in a lot of ways, the ultimate goal is to get people to prevent waste in the first place.!!***

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Topics will cover the latest advances in Recycling-reuse, reduce, recovery, E-Waste recycling and management,Recycling codes, Environmental impact, Bioremediation, Environmental Chemistry, Marine Plastic Pollution, Biofuels and many more...

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

July 20-21, 2020
Barcelona, Spain

EuroSciCon

Recycling Conference

2020

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Environmentalists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Recycling Conference 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Recycling Conference 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

July 20-21, 2020
Barcelona, Spain

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Recycling Conference

2020

Who'd be attending?

EuroSciCon Conference on International Conference on Recycling and Waste Management plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Environmentalists, Engineers, Scientists, Students and others who stay plunged in learning and practice in the Recycling & its technologies.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Recycling-reuse, reduce, recovery
- E-Waste recycling and management
- Recycling codes
- Environmental impact
- Bioremediation
- Environmental Chemistry
- Marine Plastic Pollution
- Biofuels
- Waste to Energy
- Green technology
- Agriculture Waste Recycling
- Waste Management Techniques
- Solid Waste Management
- Wastewater Recycling
- Plastic Recycling
- Paper Recycling
- Industrial Waste Recycling
- Chemical Waste Recycling
- Food Waste Recycling
- Rubber Recycling
- Recycling Market
- Thermal Waste Recovery
- Construction Waste Management
- Textile Recycling
- Glass Recycling
- Home Waste Management
- Metal Recycling

Recycling Conference

2020

About Destination Barcelona

Barcelona is a city on the coast of northeastern Spain. It is the capital and largest city of the autonomous community of Catalonia, as well as the second most populous municipality of Spain.

With a population of 1.6 million within city limits its urban area extends to numerous neighboring municipalities within the Province of Barcelona and is home to around 4.8 million people, making it the sixth most populous urban area in the European Union after Paris, London, Madrid, the Ruhr area and Milan.

Barcelona has a rich cultural heritage and is today an important cultural Centre and a major tourist destination. The headquarters of the Union for the Mediterranean is located in Barcelona.

Barcelona is one of the world's leading tourist, economic, trade fair and cultural centers, and its influence in commerce, education, entertainment, sports, media, fashion, science, and the arts all contribute to its status as one of the major global cities.

Basilica de la Sagrada Familia One of Europe's most unconventional churches, this spectacular basilica is the most famous sight in Barcelona. The UNESCO-listed Basilica de la Sagrada Familia stands in the northern part of the city, dominating its surroundings with its 18 spindly towers soaring high above all other monuments.

La Rambla: Barcelona's Social Hub is the heart of Barcelona's social life is found on La Rambla, a broad, tree-shaded avenue that divides the Old Town into two parts. It has wide street, featuring expansive pedestrian sidewalks, is lined with shops, restaurants, and outdoor cafés, making it one of the most popular hangouts in the city.

Also, Barri Gòtic, Casa Mila, Casa Batlló, Camp Nou, The Magic Fountain, La Barceloneta, Monestir de Pedralbes, Mercat de la Boqueria, Quadrat d'Or are the wonderful attractions to visit.

EuroSciCon

Tentative Program

Day 1

07:00–08:00 (All Attendees)
Continental Breakfast & Registration
08:00–08:30 (All Attendees)
Introductions & Welcome

08:30~09:00 (All Attendees)
Opening Ceremony
09:00~09:40 Plenary Talk–1
09:40~10:20 Plenary Talk–2
Refreshment and Networking Break
10:40~12:30 General Session
(Oral Presentation)
12:30~13:30 Gala Lunch
13:30~15:30 Keynote Talk 1, 2, 3
Refreshment and Networking Break
15:30~17:00 General Session
(Oral Presentation)
17:00~18:00 General Session
(Oral Presentation)
18:00~18:30 Networking Session

Day 2

09:00~09:40 Plenary Talk 3
09:40~10:20 Plenary Talk 4
Refreshment and Networking Break
10:20~12:30 Keynote 4, 5, 6
Lunch Break
12:30~13:30 General Session
(Oral Presentation)
13:30~15:30 Refreshment and Networking Break
15:30~16:30 General Session
(Oral Presentation)
16:30~18:00 Poster Session
18:00~18:30 Networking Session & Closing Ceremony

Past Conference Report

International Conference on Recycling and Waste Management was organized during February 20-21, 2019 at Sydney, Australia. With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you for trusting us and participating at Recycling Conference 2019, a global platform to discuss various important aspects of Recycling and its application.

There are infinite reasons to extend our gratitude to you for making the Recycling and Waste Management 2019 outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve new height in the field of Recycling.

The conference was marked by the attendance of Scientists, Professors, Young and brilliant researchers, Business delegates and talented student communities representing more than 30 countries, who have driven this event into the path of success.

The conference was organized around the theme **"Recycle the present, save the future"**. The event implanted a firm relation of upcoming strategies in the field of Recycling with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. **Mr TAKASHI NAKAMURA,** Tohoku Unversity, Japan was the moderator of Recycling Conference 2019. We are much thankful to Takashi Nakamura for his great support and help in making this event more interesting.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers **Basak K Taseli,** Divya Rajasekaran, Turkey; **Dennis Victor,** Alumnus of University Malaya, Malaysia; **Divya Rajasekaran,**Indian Institute of Technology, India **Kristina Siig,** University of Southern Denmark, Denmark; **Merja H. Kontro,** University of Helsinki, Finland; **M. A. Martin-Luengo,** Institute of Materials Science of Madrid, Spain. The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Recycling through their fabulous presentations at the podium of Recycling Conference 2019.

Euroscicon offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Archives of Medicine journal, who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. So as continuation of Recycling Conference 2019 we would like to heartily invite you to our upcoming International Conference on Recycling and Waste Management scheduled July 20-21, 2020 Barcelona, Spain. We look forward to seeing your benign presence with active contribution and support to make this event successful once more.
