Welcome Message

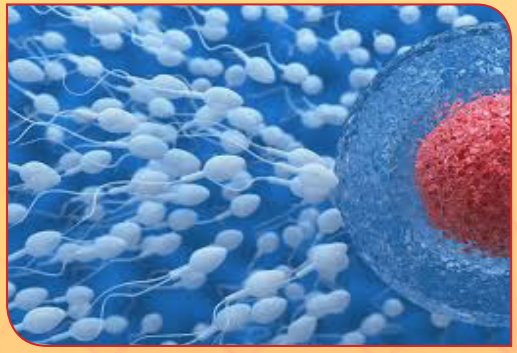

Meetings International proudly announces the Global Experts Meeting on "Reproductive Medicine and Health" scheduled on December 11-12 2017, Dubai, UAE with a theme of "Best Practices For Reproductive and Women's Health". Meetings International provides a Global Platform for Medical and Healthcare Professionals, Medical Practitioners, research Scholars to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

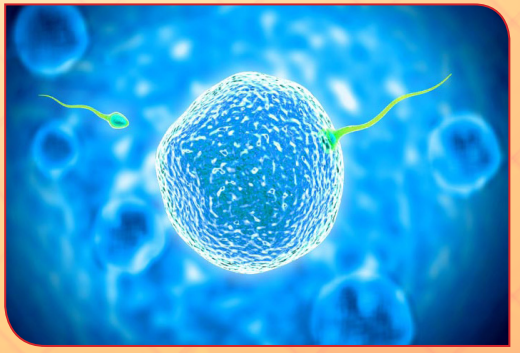

Reproductive Health Meeting 2017 aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. A Medical Professional has a special set of competence and ability. Not only can they diagnose patients and finally provide medication, but they also serve in leadership and consulting roles. They are prominent and impact health care across the board, from reducing Medical complications to improving patient satisfaction.

Reproductive Health Conferences aims to discover advances in health practice, management andeducation in relation to health disparities as well as a breadth of other topics. The Reproductive Health Conference is a platform for students, faculty, deans, researchers, and leaders to collaborate on topics affecting nursing education. Attendees can: Take advantage of opportunities to learn about Reproductive Health Conference from a variety of oral and poster presentations. Meet and network with people ranging from students to deans, faculty, and researchers. Take advantage of opportunities to collaborate with people from around the world. Attend prominent plenary sessions about relevant issues affecting Reproductive Healthcare.

This Conference involves of the theoretical and practical training provided to people with the purpose to prepare them for their duties as Reproductive Health care professionals. This education is provided to medical students by experienced Professionals and other medical Practitioners who have qualified or experienced for educational tasks. Most countries offer Education courses that can be relevant to general medical or to specialized areas Reproductive Health Meeting will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other evidence based practice from some of our workshops and symposiums. We hope you will join us in Dubai, UAE this December.

Sincerely,
Operating Committee

About Dubai

Dubai is a city and emirate in the United Arab Emirates. Dubai is also known for the traditional souk districts located on either side of its creek. It is to a great degree understood for its warm neighbourliness and rich social legacy, and the Emirati people are inviting and liberal in their way to deal with guests. Dubai is constantly on the move, striving for greater heights and more facilities and comfort for its residents and visitors. Dubai offers a kaleidoscope of attractions for visitors. It has a wide variety of sceneries to experience. With year-round daylight, captivating deserts, excellent shorelines, shopping centres, sumptuous lodgings, intriguing legacy attractions and a flourishing business group, Dubai gets a huge number of recreation and business guests every year from around the globe. Tourists can experience everything from rugged mountains and awe-inspiring sand dunes to sandy beaches and lush green parks, from dusty villages to residential districts and from ancient houses with the wind towers to ultra-modern shopping malls . Dubai has emerged as a global city and business hub of the Middle East. Dubai has recently attracted world attention through many innovative large construction projects and sports eventsThe report revealed that population growth, prevalence of lifestyle diseases, introduction of compulsory health insurance along with the emirate's push to become a medical tourism hub are expected to drive the growth of the private sector in Dubai's healthcare industry.

Dubai delivers a world class education and also immense job opportunities for well-educated students. . In Dubai, there are some sixty four Universities, Institutes and faculties out of 103 in UAE, that are directly or indirectly into Healthcare. There are some 38 total hospitals and health clinics in Dubai out of 138 in UAE.. The most well-known medical universities in Dubai are Gulf Medical University, RAK Medical and Health Sciences University, Royal College of Surgeons in Ireland (Dubai), Harvard Medical School Dubai Centre, Dubai Medical College offering courses in Toxicology, Pharmacology, Public Health, Clinical Pathology, Community Medicine, Pathology, Histology, Biochemistry, Surgery. American University in Dubai is one of the six UAE colleges highlighted in QS World University Rankings 2014/2015. In 2013 Synergy University Dubai Campus opened its grounds in Jumeirah Lakes Towers being a first University in Dubai to situated outside of Educational Zones. Dubai's private hospitals were valued at $1.75 billion in 2013 but are expected to reach $3.23 billion by 2020, according to a new report by research firm Colliers International. On the hole these contrasts give Dubai a unique flavour and personality.
