Meetings Int. offers

An unique platform for top level research and innovation

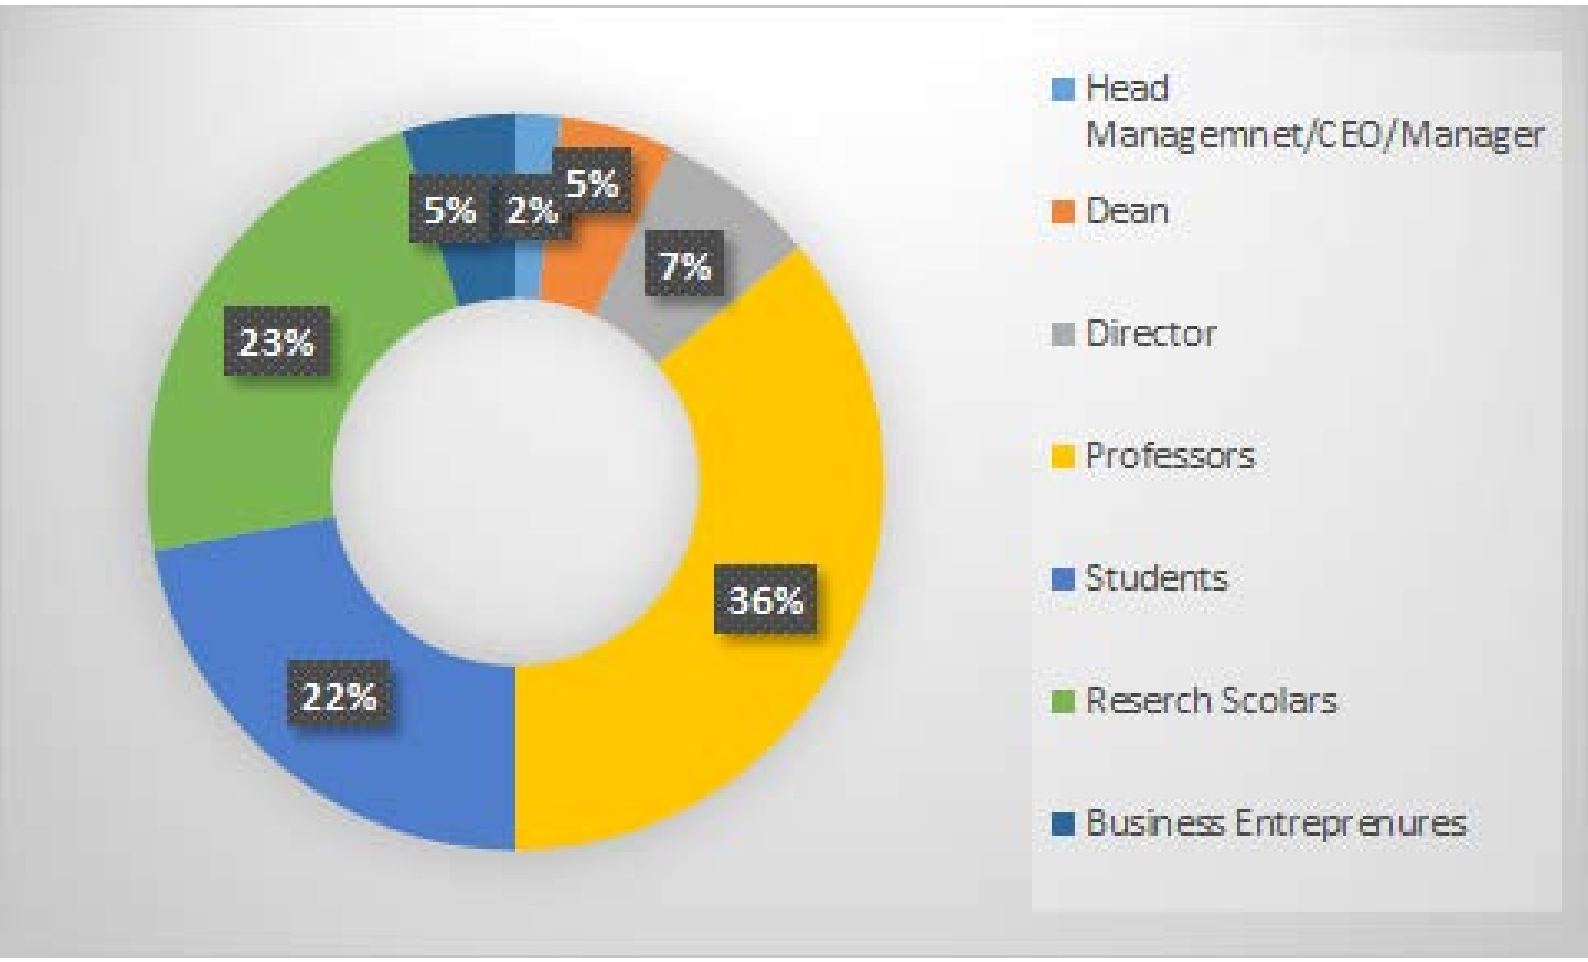

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore **Osaka**

OSAKA (about 330 miles southwest of Tokyo) is the second largest city in Japan and the 13th largest city in the world, with a population of about 10.5 million people. Situated on a sheltered bay, it is also the commercial, shipping and industrial center of western Japan, the second major gateway to Japan after Tokyo. People from Osaka and Kansai are regarded as more outgoing, pragmatic, independent and irreverent than other Japanese.
