london Attractions

Explore london

London is one of the most important tourist destinations in the world because of the famous tourist attractions that attract many tourists. The average number of visitors per year is about 19.1 million visitors according to the statistics 2017, making it one of the most visited cities in the world, The UK and its largest city, located on the banks of the Thames in the south of Britain, is also known as the Fog City and has a long history dating back to the Roman era.

Top landmarks in London :

Big Ben, Westminster, is one of the most famous sights in the city and, rather, in all of Britain. It is located opposite the Parliament and Big Ben marks the heaviest five bells 13.5 tons in the famous clock tower of Westminster Palace. Al Shard Tower Bridge, a skyscraper located in the Southwark area of â€‹â€‹London, was the tallest building in Europe until October 2012 and is 310 meters long and is currently the highest building in the European Union. The Tate Modern Museum, located near the Thames, is a magnificent cathedral that imitates modern architecture and was formerly a power station. Many contemporary artists such as Rachel Frieda, Martin Kippenberger, Mark Rothko, and Kandinsky worked to create it in its current contemporary form.

Venue
London, UK
