International Conference on

Rheumatology

October 26-27,2021 | Osaka, Japan

https://www.meetingsint.com/conferences/rheumatology

Invitation

Dear Attendees,

Meetings International proudly announces the ***4th International Conference on 3D Printing*** scheduled during ***Oct 26-27, 2021 in Osaka, Japan.***

The conference emphasizes the theme "Multifaceted aspects and enrichments in Rheumatology".

Rheumatology is dedicated to the diagnosis and the treatment of rheumatic diseases. It is the study of Rheumatism, arthritis, and other disorders of the joints, muscles, and ligaments. Rheumatology has turned out to be absolutely a standout amongst the most powerful and imaginative subjects in the majority of the medicines. Therapies for rheumatic diseases continue to expand rapidly. Meetings International proudly invites renowned Researchers, Physicians, Surgeons, Professors, Instrumentalists, Medical and Industrial professions, young scientists, students and Business delegates to share the knowledge and scientific progress in the field of Rheumatology for the purpose of shaping the future research.

Sincerely,

Operating Committee

Osaka Attractions

Explore Osaka

OSAKA is the second largest city in Japan and the 13th largest city in the world, with a population of about 10.5 million people. Famous landmarks in Osaka include Osaka Castle - which played a pivotal role in the Siege of Osaka and was featured in the 1980 American television mini-series “Shogun “ and Shitenno-ji - the oldest Buddhist temple in Japan.

Many of Japan’s foremost sightseeing spots are located in Kansai, the region surrounding Osaka. There are plenty of ways to get to and from Osaka, so it’s just a quick trip to Kyoto, Nara, Kobe, and other popular sightseeing locations! The first step on your trip to Osaka is a flight to Kansai International Airport. Osaka is in almost the exact canter of Japan.

Osaka is known as the “Nation’s Kitchen,” and is well known for delicious foods such as takoyaki and okonomiyaki. The most famous food district in Osaka is Dotonbori. And, best of all, Osaka is significantly cheaper than Tokyo. Prices for hotels and restaurants in Osaka tend to be at least 30% cheaper.

Venue
Osaka, Japan
