Dear Attendees,

The 4th International Conference on Rheumatology brings a chance to share and discuss all the researches in Rheumatology which is going to be scheduled during February 08-09, 2024 in Paris, France. The main motto of Rheumatology 2024 is to bring a new platform to share new ideas and all the innovations in the field of Rheumatology with the theme of the conference “Revitalize in Rheumatology care - restore your Future health”. It mainly targets all the scientists, young researchers and industrialists across the globe to interchange their ideas and share their experiences, discuss the enhancements in technology, practical challenges, and advanced instrumentation and analysis results. Rheumatology 2024 is a specially designed cluster conference which consists of keynote presentations, Oral talks, Poster presentations, Workshops, Panel Discussions and Exhibitions, Young Researcher Forums (YRF), Best Poster Award, Industry academic interactive sessions, and Industry Presentations etc

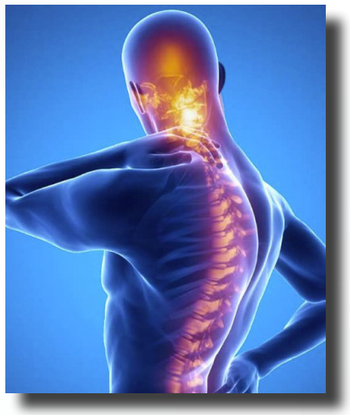

Sincerely,
Operating Committee
Rheumatology 2024

VENUE:

Paris, France

Renowned as the City of Love, Paris's captivating history, art, and culture make it an alluring destination. Amid its iconic landmarks and world-class cuisine, the Plastic Surgery Conference stands out as a vital gathering for medical professionals. Set against the backdrop of Paris' cultural treasures, the conference draws practitioners from worldwide to discuss advancements in plastic and reconstructive surgery. Attendees engage in workshops, seminars, and hands-on training, learning about cutting-edge technologies while exploring the city's charm and historic sites. This juxtaposition of medical innovation and cultural richness exemplifies Paris's enduring allure for both professional growth and leisurely exploration.
