2nd International Conference on

Robotics and Automation

August 22-23, 2022 | Singapore City, Singapore

https://www.meetingsint.com/conferences/robotics

Invitation

Dear Attendees,

2nd International Conference on Robotics and Automation which will be held during August 22-23, 2022 in Singapore City, Singapore. The conference will bring together leading scientists, early-career researchers to share their perspectives and gather specialists from these interdisciplinary fields to discuss necessary measures needed to develop a new generation of powerful tools for synergistic development in the field of sensors. Through a progression of encouraging plenary talks, inspiring keynote lectures, workshops, industry-sponsored symposia and exhibitions, the conference provides new information about the use of latest technologies and building new links between disciplines enables discussion and new collaborations. We assure our attendees return to their place with the selfbelief to improve their abilities and outfitted with certified approaches to work with us.

Sincerely,

Operating Committee

Robotics 2022

Conference Highlights

- Robotic Analysis, System and application
- Robotics and Autonomous system
- Robotics and Artificial Intelligence
- Robotics and Mechatronics
- Robotic Technologies and Application
- Nano Materials & Nano Technology
- Robotics in Healthcare and Medicine
- Robotics in Agriculture
- Robotics in Industries
- Robotics in Education
- Robotic Advantages & Disadvantages
- Robotics Future control
- Any Related topic of Robotics

Singapore Attractions

Explore Singapore

Singapore is profusely networked with each air and water making it the leading telecommunication hub in the Asiatic region. Its geostrategic role makes it greater plausible to the global market boards ensuing speedy step up for the socio-economic condition. Singapore, an island city-state off southern Malaysia, is a world economic hub centre of attention with a tropical atmosphere and multicultural popular. Changi International Airport is only 30 minutes from the city. As a smaller city, it is useful to motion round Singapore. Lodgings, eateries, scenes, shopping, and travelling spots are advantageously bunched in distinct neighbourhoods, such Marina Bay, Orchard Road, Changi and so on and are effortlessly open by means of means of Singapore's covered and solid open transportation framework. Other than a energetic eating, expressions and diversion scene, Singapore is home to endless key sights and an massive range of housing to swimsuit any economic plan. Singapore has a world network with around four hundred cities in one hundred countries inside a 7-hour flight radius making it the most reachable location to visit. With nearly 7,200 flights from round the world, Changi International Airport gives convenience and nice connectivity for company travellers. As for its Infocomm services, Singapore has a dichotomous branched community of broadiming for its use to 99% of the populace of Singapore.
