Eradicating sleep disorder by psychiatric approaches and therapy

EuroSciCon

Sleep Congress

2018

Invitation

Welcome to London, the City of Arts and Science, and experience the science of Psychology illuminated as never before. EuroSciCon is proud to host 29th International Conference On Sleep Disorder and Medicine, July 16-17, 2018 in London, UK. This year's theme is Eradicating sleep disorder by psychiatric approaches and therapy.

Sleep Congress 2018 will provide an extraordinary opportunity for Psychologists of all strips and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Psychologists, Psychiatrists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Sleep Congress Conference is the perfect venue not only to dive into your field of psychological interests but also to expand the scope of your knowledge. 17 tracks are devoted to subjects such as the Sleep Disorders, Therapeutic Treatment, ADHD And adults sleeplessness, Women health and sleep disorder, anti-psychotics, advanced therapeutic approaches and may more.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Psychological forum in person is your active participation
