Invitation

Dear Attendees,

Meetings International proudly announces the ***21st International conference on smart materials and polymer technology*** scheduled during ***March 22-23,2021 Paris city, France***

The conference emphasizes the theme INNOVATIVE APPROACH AND RECENT DEVELOPMENTS IN MATERIALS SCIENCE & POLYMER TECHNOLOGY

The Smart Materials 2021 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in microfluidics and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of Smart Materials 2021 is to provide an international technical forum to showcase recent advances in Materials Engineering, Polymer technology and Nano technology Smart Materials conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research and innovation.

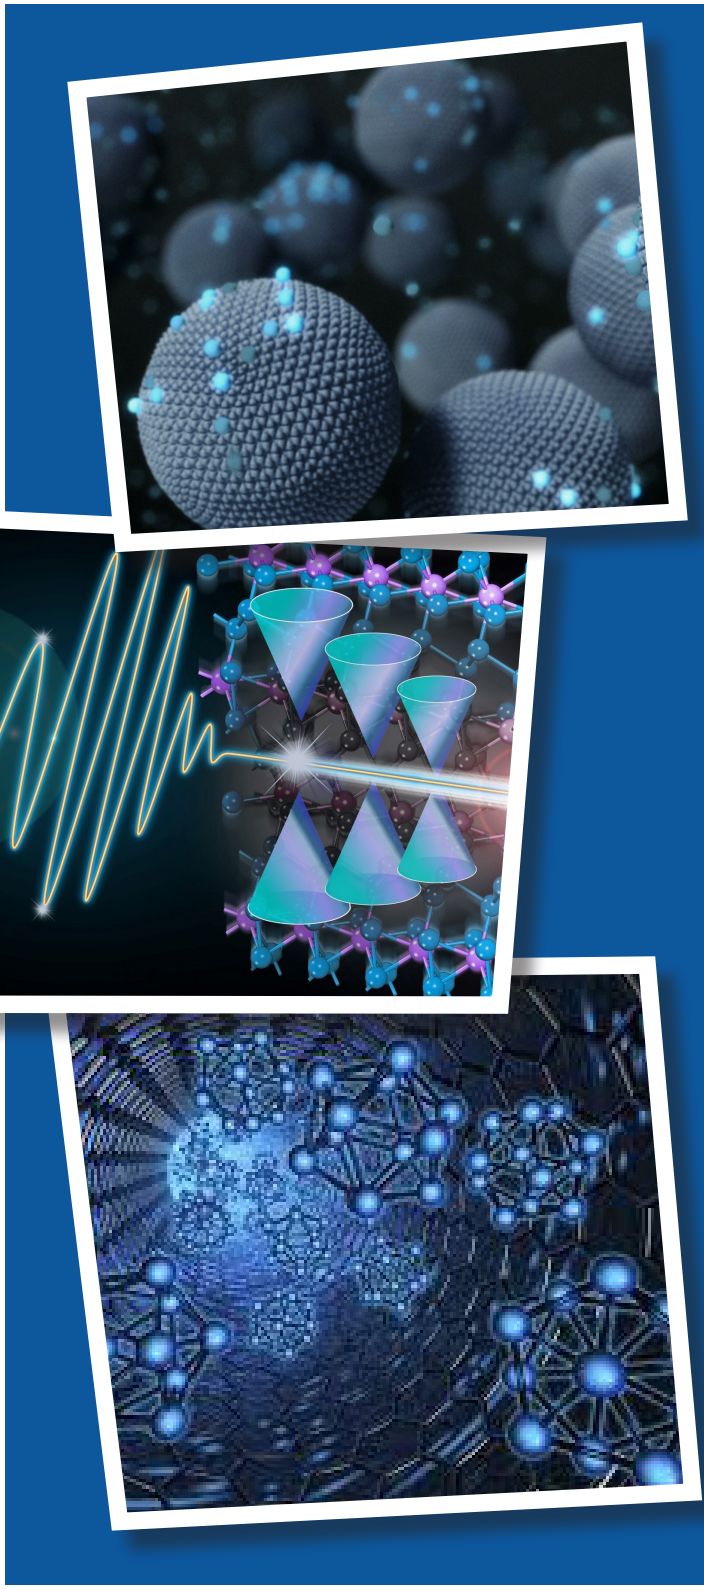

Sincerely,

Operating Committee

Smart Materials 2021

Conference Highlights

- Emerging Smart Materials
- Materials and Science Engineering
- Carbon Nanotubes, Graphene and Composites
- Material Synthesis and Characterization
- Optical, Magnetic and Electronic Materials
- Nanotechnology
- Piezoelectric Materials and 3-D Printing
- Materials Engineering
- Market Demand and Future
- Ceramics and Textiles Industries
- Polymer Science and Engineering
- Sustainable Energy and Development

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Berlin city Attractions

Explore Paris, City

Paris , City and Capital Of France. The French historic, political and economic capital, with a population of only 2.5 million is located in the northern part of France. Paris is one of the most popular cities among travellers. Known as the “City of Light” or the “City of Love” the streets of Paris overflow with culture, art, beauty, and history. Whether searching out Monet’s Water Lilies at Musee de l’Orangerie, climbing the many steps of Sacre-coeur, standing before the Eiffel Tower in awe, or searching out the best crepes along the Seine, Paris is a city that captures the hearts of millions ever year. One of the most beautiful cities in the world. Home to historical monuments such as Notre Dame, the Eiffel tower (320m), Bastille, Louvre and many more. The night life is rich with the famous cabarets such as the Moulin Rouge, Lido and the Crazy Horse. Gastronomic restaurants offering cuisine of the finest are numerous and at all prices.
