Invitation

Euroscicon is proud to host the 10th Edition of Smart Materials Congress held during May 18, 2021 in Webinar. The conference is themed around "Smart Manufacturing for Smart Materials in the COVID-19 Era" with the aim to bring together a wide audience of industry, healthcare, research, and medical practitioners to educate and bring about a fruitful debate on the confined topics.

The Smart Materials Conference 2021 will be a great event to network, learn and engage with professionals in the field of Smart Materials and Advanced Materials.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant toxicological forum in person is your active participation.

Best Regards,
Organizing Committee
