Brussels Attractions

Explore Brussels

Brussels, capital of Belgium, main seat of the Belgian Royal Family, and capital of the European Union, is a surprisingly little, accommodating, and human-sized city for all its significance. Dissimilar to wonderful Bruges and Ghent, with their crowds of voyagers, Brussels is Belgium's principle monetary and instructive center point, which gives the city a more workaday feel than different towns. Here, you get a legitimate vibe for Belgian life, particularly its awesome eatery and bistro culture. In spite of the fact that Brussels might not have the star attractions of other Belgian towns, the capital has all that could possibly be needed activities to keep guests connected with for a few days, with a grip of world-class historical centers and craftsmanship displays, and in addition quirkier sights, for example, the Atomium, and some superb leftovers of old engineering in the old town quarter.
