Explore Berlin

Berlin is surrounded by the State of Brandenburg and contiguous with Potsdam, Brandenburg's capital. Berlin, the capital city of Germany, is renowned for its exceptional range of landmarks, vibrant cultural scene and way of life that's somehow all go yet relaxed. In fact, the city is best known for its striking contrasts. Historical buildings stand alongside modern architecture as the past and present intermingle. The sights Berlin has to offer, from the Brandenburg Gate to the Chancellor's Office, bear witness to the history of an entire nation. Germany's capital is home to all the main government buildings, including the historical Reichstag building as the seat of the German parliament. Berlin is cosmopolitan, Berlin is hospitable and Berlin is safe – especially in the areas where visitors to Berlin usually go. Nonetheless, you can never completely rule out crime. Should you witness a crime, or become the victim of crime yourself, call the police immediately.
