

2nd International Conference on

Sports Medicine and Physiotherapy

November 17-18, 2025 | Paris, France

INVITATION

ABOUT CONFERENCE

Sports Medicine 2025 is a premier global platform dedicated to advancing knowledge, innovation, and collaboration in the field of sports medicine, physiotherapy, and athletic health. Bringing together leading physicians, physiotherapists, sports scientists, orthopedic specialists, trainers, researchers, and industry innovators, this event serves as a hub for exchanging groundbreaking research, sharing clinical best practices, and exploring the latest technologies in athlete care and performance.

Our mission is to bridge the gap between science and sport — empowering healthcare professionals and sports experts to prevent injuries, optimize recovery, and enhance performance for athletes at all levels.

With dynamic keynote sessions, interactive workshops, hands-on training, and networking opportunities, Sports Medicine 2025 offers a unique space where ideas turn into action. Whether your focus is rehabilitation, performance enhancement, sports nutrition, or injury prevention, this event is your gateway to staying at the forefront of sports health advancements.

YOUNG RESEARCH FORUM:

We are announcing the Young Scientist Awards through the **2nd International Conference on Sports Medicine and Physiotherapy** which is scheduled on **November 17-18, 2025** in **Paris, France**. This Sports Medicine 2025 focuses on "Fueling the Future of Athletic Care" and will recognize participants who have significantly added value to the scientific community of Medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities

TARGET AUDIENCE

- All the Stake Holders (both Academia & Industry) of the Sector
- Researchers & Innovators
- Experts Looking for Collaborative Work
- Product Developers
- Solution Providers
- Sales & Marketing Professionals
- Associations, Societies, & Professional Bodies
- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

SESSION HIGHLIGHTS

- Advances in Sports Injury Diagnosis & Treatment
- Rehabilitation Strategies for Athletes
- Sports Physiotherapy Innovations
- Concussion Management & Return-to-Play Protocols
- Injury Prevention & Risk Assessment

- Biomechanics & Movement Analysis in Sport
- Orthopedic Advances in Sports Medicine
- Exercise Medicine & Chronic Disease Prevention
- Wearable Technology & Data Analytics in Sports Health
- Pediatric & Adolescent Sports Medicine
- Women's Health & Female Athlete Care
- Regenerative Medicine & Stem Cell Therapy in Sports
- Mental Health & Psychological Resilience in Athletes
- Paralympic & Adaptive Sports Medicine

Past Event Report

Meetings International Conference successfully hosted its Fifth series on the "International Conference on Sports Medicine and Physiotherapy virtually during April 25-26, 2024.

Eminent keynote speakers from various universities addressed the gathering virtually.

The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

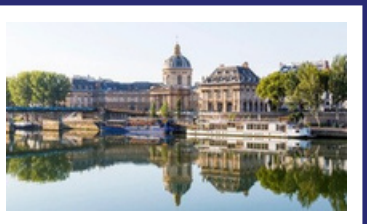

About Venue:

Paris, the capital of France, is renowned for its rich history, stunning architecture, and vibrant culture. Often dubbed “The City of Light” (La Ville Lumière), Paris is a global hub for art, fashion, gastronomy, and culture, making it one of the most visited cities in the world. The city’s origins date back to the 3rd century BC when it was a small Gallic settlement called Lutetia. It grew significantly during the Roman era and later became the capital of the Frankish kingdom under Clovis I in the 5th century. Paris is home to some of the world’s most iconic landmarks. The Eiffel Tower, originally constructed as a temporary exhibit for the 1889 Exposition Universelle, has become a symbol of France and a must-see for tourists. Another architectural marvel is the Gothic cathedral of Notre-Dame, which, despite the devastating fire in 2019, remains a testament

to medieval engineering and artistry.

Registration Fee
