2ND INTERNATIONAL CONFERENCE ON CELL AND STEM CELL RESEARCH

Stem Cell 2019

April 17-18, 2019 | Tokyo, Japan

Meetings International
WITH US

INVITATION

Stem Cell 2019

Meetings International proudly announces the **2nd International Conference on Cell and Stem Cell Research** scheduled during **April 17-18, 2019 at Tokyo, Japan.** The conference emphasizes the theme "**Novel Insights and Innovations in Cell and Stem Cell Research**".

Meetings International provides an international dais for scientists and cell and stem cell biology professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of cell and stem cell research has come into spotlight in the recent years. The main objective of cell and stem cell biology is to study and endeavour in cell and stem cell research, and to advance the teaching and practice of cell and stem cell research.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

Important Dates

Early Bird: **September 30, 2018**

Registration Open: **September 01, 2018**

Abstract Submission Open: **September 01, 2018**

On Spot Registration: **April 17, 2019**

Tokyo, Japan

CONFERENCE HIGHLIGHTS

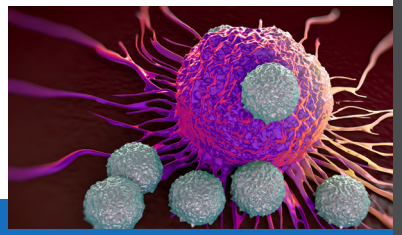

- Cell and Stem Cell Research
- Cell and Gene Therapy
- Plant Genetics and Molecular Biology
- Nanotechnology in Cell science
- Plant biotechnology
- Stem Cell Therapy for Corneal Regeneration in the Eye
- Pluripotent Stem Cell Based Cancer Therapy
- Cardiological Stem Cell Therapeutics
- Neurology and Stem Cells Therapy
- Stem Cell Technologies
- Immunology: Therapeutic Applications
- Cancer Cell Therapy
- Plant Tissue Culture
- Tissue Preservation, Cryopreservation Technology and Bio-Banking
- Regulation of Stem Cells
- Stem Cell Treatment
- Novel Stem Cell Technologies
- Tissue Engineering
- Current Research in Cell & Molecular Biology
- Computational Biology
- Cellular Molecular Biology
- Drug Designing
- Epigenetic Reprogramming of the Germline
- Cell Signaling Technology

Meetings Int. offers

An unique platform for top level research and innovation

Stem Cell 2019

Tokyo, Japan

Meetings International WITH US

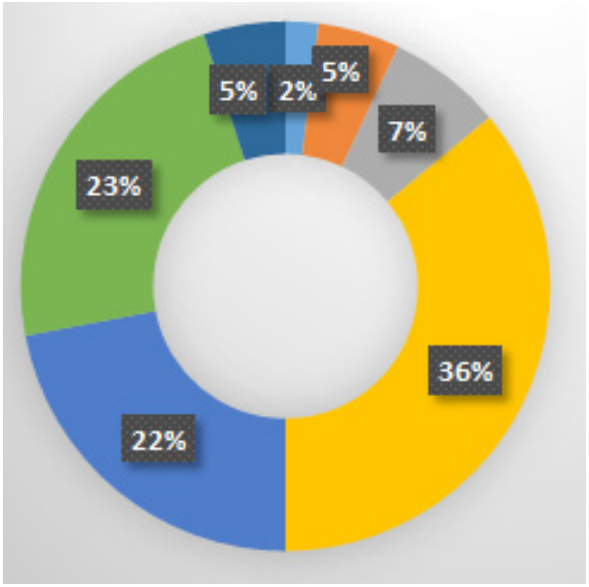

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication

- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scolars
- Business Enterprenures

GLIMPSUS OF CELL 2018

What people say about Cell 2018

Precisely wonderful meeting

Niranjan Bhattacharya
D.Sc, MD, MS, FACS
Head of The Department, Director General, Calcutta School of Tropical Medicine

Thanks for the mail. I had a great time attending as well as participating in the conference and meeting new people.

Aparna Kanungo
SOA University, India

The meeting was a good experience.

Vijay Kumar Kuna
Laboratory for Transplantation and Regenerative Medicine, Sahlgrenska Science Park, Sweden
