Past Event Report

Meetings International Conference successfully hosted its sixth series on the **"International Conference on Stem Cell"** Hotel Ana Crown Plaza, Narita in **Tokyo, Japan** during **April 16-17, 2025**. The conference was organised with a theme focused on "Exploring the New trends and Horizons of Stem Cell Research," and it was a great success. Eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

About Venue:

Welcome to Singapore, a city where innovation meets tradition. Renowned as the "Lion City," Singapore is a world-class destination celebrated for its modern skyline, lush greenery, and cultural diversity.
