Invitation

Dear Attendees

Meetings International proudly announces the *2nd International Conference on Stem Cell Research, Cell and Gene Therapy* scheduled during *November 17-18, 2021 in Toronto, Canada* .

The conference emphasizes the theme "*BRIDGING THE GAP FROM BASIC CELL SCIENCE TO ADVANCED CELLULAR THERAPIES FOR A BETTER LIFE* ".

The Stem Cell Research, Cells and Gene Therapy gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in Stem Cell Research and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of Stem Cell Research, Cells and Gene Therapy is to provide an international technical forum to showcase recent advances in Gene Therapy, Molecular Medicine and Cellular Therapy conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research and innovation.

Sincerely,

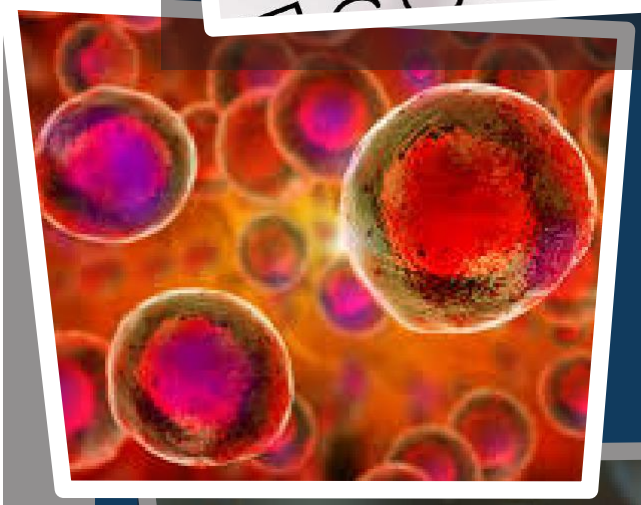

Operating Committee

Stem Cell

Conference Highlights

- **Stem Cells**
- **Properties of Stem cells**
- **Mesenchyme stem cells**
- **Gene Therapy**
- **Types of Gene Therapy**
- **Vectors (Viral methods)**
- **Vectors (Non-viral methods)**
- **Next Generation Approach**
- **Scope for Stem cell Research, Cells and Gene Transfer**

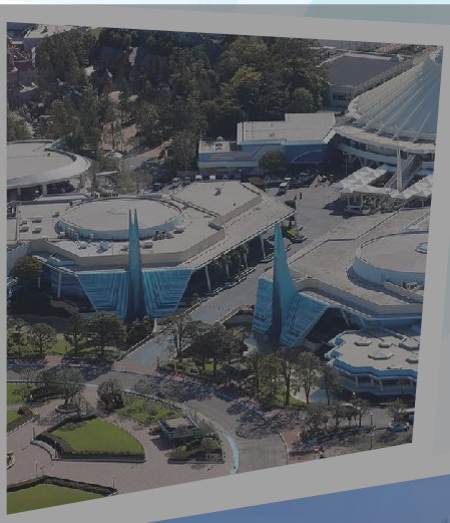

- **To identify the future directions of research**
- **Peer review and high quality publication**
- **Quality research**

Canada Attractions

Explore Toronto

Toronto is the capital city of the Canadian province of Ontario. With a recorded population of 2,731,571, it is the most populous city in Canada and the fourth most populous city in North America. The city is the anchor of the Golden Horseshoe, an urban agglomeration of 9,245,438 people (as of 2016) surrounding the western end of Lake Ontario, while the Greater Toronto Area (GTA) proper had a 2016 population of 6,417,516. Toronto is an international centre of business, finance, arts, and culture, and is recognized as one of the most multicultural and cosmopolitan cities in the world

The diverse population of Toronto reflects its current and historical role as an important destination for immigrants to Canada. More than 50 percent of residents belong to a visible minority population group, and over 200 distinct ethnic origins are represented among its inhabitants. While the majority of Torontonians speak English as their primary language, over 160 languages are spoken in the city

Venue

Toronto,Canada

Important Dates

Early Bird: March 30,202

Abstract Submission Deadline: July 30, 2021
