6TH INTERNATIONAL CONFERENCE ON

STEM CELL RESEARCH,CELL AND GENE THERAPY

JULY 20-21, 2020 | PARIS, FRANCE

Stem cells 2020

Invitation

Meetings International proudly announces the **6th International conference on Stem cell research,cell and Gene Therapy** scheduled during**July 20-21, 2020** at **Paris, France**. The conference emphasizes the theme **"Bridging the Gap from Basic Cell Science to Advanced Cellular Therapies for a Better Life**".

At the 'Stem cell Research ,cell and Gene Therapy', Meetings International promotes broad scope research and peer review at a wide range of specialists around the world. The key strategic objective of Meetings Int. is to communicate science and medical research between academia, and industry. Through inspiring sessions and tons of networking, you will learn to be even more audacious and bold than you are now and free to grow your mind, grow your business, and grow your bottom-line. We can relieve you of the time and resource draining elements of the events that you plan to hold. From planning to coordinating, start to finish; we will be there to ensure you take the accolades for yet another brilliant program.

Sincerely,

Operating Committee

Materials Processing 2020

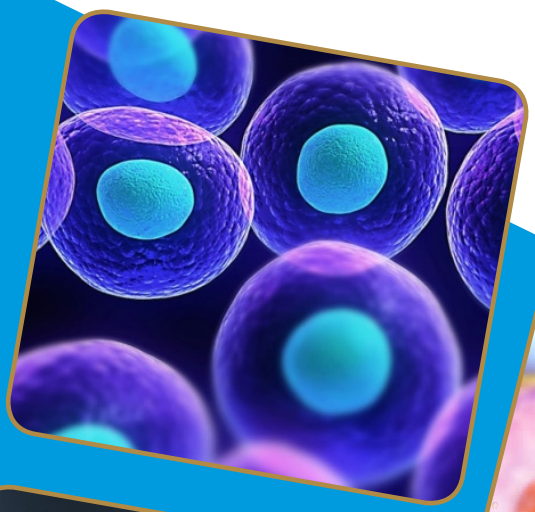

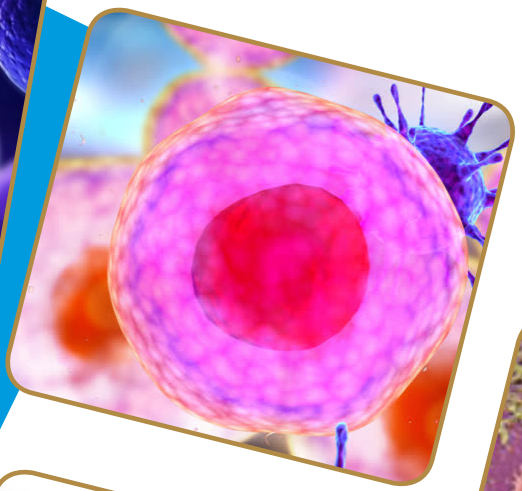

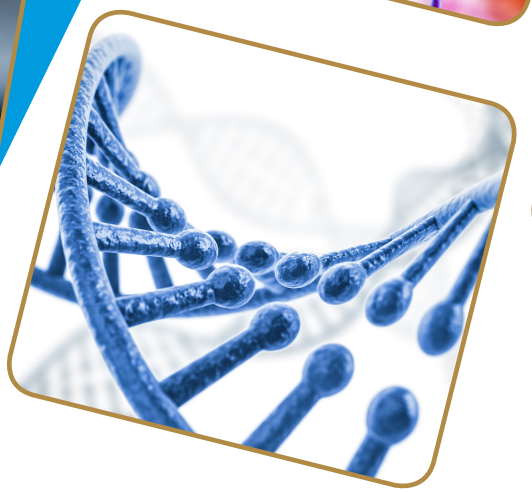

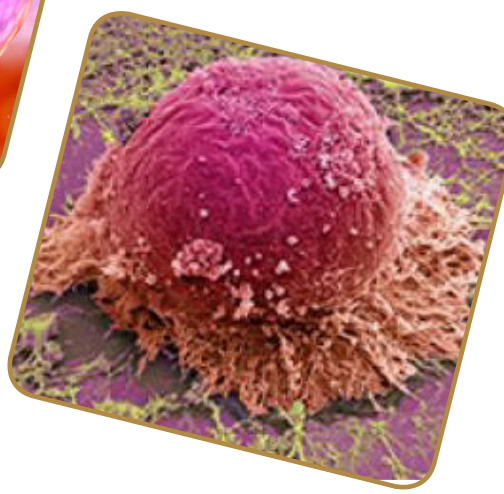

Conference Highlights

- Cell Therapy
- Gene Therapy
- Molecular Medicine
- Immuno therapy
- Genetic Medicine
- Clinical and Translational Research
- cell and gene Therapy Development and Production
- Cell Therapy and Bio processing
- Rare diseases and Orphan Drugs
- Stem cell research and regenerative medicine
- Technologies in stem Cell research
- Cellular and Technological & Break through cancer

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Paris

Paris is in the Paris department of the Paris-Isle-of-France region. The French historic, political and economic capital, with a population of only 2.5 million is located in the northern part of France. Paris is one of the most popular cities among travellers. Known as the “City of Light” or the “City of Love” the streets of Paris overflow with culture, art, beauty, and history. Whether searching out Monet’s Water Lilies at Musee de l’Orangerie, climbing the many steps of Sacre-coeur, standing before the Eiffel Tower in awe, or searching out the best crepes along the Seine, Paris is a city that captures the hearts of millions ever year. One of the most beautiful cities in the world. Home to historical monuments such as Notre Dame, the Eiffel tower (320m), Bastille, Louvre and many more. The night life is rich with the famous cabarets such as the Moulin Rouge, Lido and the Crazy Horse. Gastronomic restaurants offering cuisine of the finest are numerous and at all prices.
